world but well within our grasp **Heavenly Life** Ramsey Nasr, 2010 Prize winning poet essayist dramatist and actor Ramsey Nasr born 1974 in Rotterdam into a Palestinian Dutch family was voted Poet Laureate of the Netherlands in 2009 He selected the poems in Heavenly Life from his collections and works written as poet laureate His award winning translator David Colmer has dynamically recreated in English the patterns and sounds of Ramsey's inventive bold and thoughtful poems The collection includes a three part poem inspired by the life of composer Dmitri Shostakovich and the title poem written to commemorate the 150th anniversary of composer Gustav Mahler's birth and the poem that voted Nasr into his laureate post

My Dream of Heaven Rebecca Ruter Springer, 2009-12-15 My Dream of Heaven captures Biblical truths with emotional impressions Rev Billy Graham Facing Death and the Life After This nineteenth century classic inspires the reader with new confidence and excitement about an eternal home and reunion with loved ones gone on before It contains two missing chapters that have not appeared in print in over 100 years The words of the author Rebecca Ruter Springer set the stage for this classic treasure from the original 1898 version Within the pages of this little volume lies the hope that it may comfort and uplift some who read even as it then did and as its memory ever will do for me I submit this imperfect sketch of a most perfect vision This version includes a foreword and afterword from well known speaker and minister Vicki Jamison Peterson

Grounded in Heaven Michael Allen, 2018-10-02 Eschatology and ethics are joined at the hip says Michael Allen and both need theocentric reorientation In Grounded in Heaven Allen retrieves the traditional concept of the beatific vision and seeks to bring Christ back into the heart of our theology and our lives on earth Responding to the earthly mindedness of much recent theology Allen places his focus on God and the heavenly future while also appreciating ways in which the Reformed tradition provides a unique angle on broadly catholic concerns Reaching back to classical ethics as well as its reformation by Calvin and other Reformed theologians Grounded in Heaven offers a distinctly Protestant account of the ascetical calling to be heavenly minded and to deny one's self My Blue Heaven Becky M.
