The fact is over recent decades as the world slept spiritually a subtle metaphysical shift has taken place in societies spanning the globe altering both human and planetary behavior This paradigm shift has left in its wake a planet in peril filled with hostility volatility excessive immorality and erratic weather patterns disrupting even the current world order Across the globe we now witness a pervasive godless culture of idolatry materialism human greed incivility senseless violence wars tribalism gender inequality racial disparity and political correctness These have all but stifled civil discourse thereby accelerating the systematic deterioration of traditional cultural and social norms Toss in a volatile global economy along with corrupt human institutions of church and state and what we have left is a world system of operation teetering on the brink of catastrophic collapse What we are now experiencing is a prophesied process of social moral political planetary and socio economic disorder With every spinning news cycle we are given a constant sobering reminder of Earth s new reality and an eschatological foretaste of that which now emerges before our very eyes Perhaps you too have sensed this radical sea change in today s uncertain and ever evolving world Certainly you are not alone in this observation For most people today s world is but a mere shadow of the place we experienced as children and were hoping to be a part of as adults Suffice it to say our world is currently undergoing a major transformation a rebirth of sorts as it makes ready for the prophesied inauguration and global occupation of Earth s final despot ruler the prince of darkness himself called the Antichrist So what does this all mean for today s world Where does one turn for credible answers and helpful instruction In a world filled with mendacity truth is oftentimes lost in a world of spin making it difficult if not altogether impossible to differentiate between what s real and what s not Yet if truth is what you seek then Dragon Beneath the Purple and Scarlet Mask was written specifically with you in mind Come now and learn the truth behind the unprecedented and unpredictable times in which we now live Indeed you are most blessed For many prophets and righteous people from ancient times desired to see what your eyes are about to see and did not see it and to hear what your ears are about to hear and did not hear it
