The Hospitality of God Caleb Camp, 2017-06-01 Hospitality has been practiced by the people of God dating back through the entire Old Testament Consider Abraham and Lot Today many of those practices are still in place throughout much of the Middle East God however has called the whole church to participate in Kingdom hospitality In fact it is an integral part of the culture of the Kingdom of God Kingdom hospitality encompasses much more than simply hosting people out of the kindness of our hearts This book is a journey into the heart attitude and mindset of the hospitality of God and the beginning of a life of Kingdom hospitality Through an exploration of Scripture culture and calling you'll discover the beauty of Kingdom hospitality and its importance in the expression of our Christian faith

Just Hospitality Letty M. Russell, 2009-04-02 In this book theologian Letty Russell redefines the commonly held notion of hospitality as she challenges her readers to consider what it means to welcome the stranger In doing so she implores persons of faith to join the struggles for justice Rather than an act of limited charitable welcome Russell maintains that true hospitality is a process that requires partnership with the other in our divided world The goal is just hospitality that is hospitality with justice Russell draws on feminist and postcolonial thinking to show how we are colonized and colonizing each of us bearing the marks of the history that formed us With an insightful analysis of the power dynamics that stem from our differences and a constructive theological theory of difference itself Russell proposes concrete strategies to create a more just practice of hospitality

Hospitality Patty Pell, 2008-06-20 In this nine session LifeGuide Bible Study by Patty Pell you will discover the Old Testament call to hospitality as the distinguishing feature of those who are in relationship with God the outward focused expression of the grace and provision that one has received from God In the New Testament the extension of life provision and protection is expanded as Jesus unpacks image after image of the kingdom of God in the language of host and guests

The Gospel Comes with a House Key Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God's tools for the furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like

Saved by Faith and Hospitality Joshua W. Jipp, 2017-08-21 Too few Christians today says Joshua Jipp understand hospitality to strangers and the marginalized as an essential part of the church's identity In this book Jipp argues that God's relationship to his people is fundamentally an act of hospitality to strangers and that divine and human hospitality together are thus at the very heart of Christian faith Jipp first provides a thorough interpretation of the major biblical texts related to the practice of hospitality to strangers considering especially how these texts portray Christ as the divine host who extends God's welcome to all people Jipp then invites readers to consider how God's hospitality sets the pattern for human hospitality offering suggestions on how the practice of welcoming strangers can guide the church in its engagement with current social challenges immigration incarceration racism and more

The Gospel of Mark (Catholic Commentary on Sacred Scripture) Mary Healy, 2008-11-01 There is an increasing hunger among Catholics to study the Bible in depth and in a way that integrates Scripture with Catholic doctrine worship and daily life In October 2008 a meeting of the world Synod of Bishops scheduled by Pope Benedict XVI will focus on The Word of God in the Life and Mission of the Church Coinciding with that meeting is the launch of the Catholic Commentary on Sacred Scripture CCSS a series that responds to the desire of Catholics to access the living Word of God The Gospel of Mark is the first of seventeen volumes which will cover the entire New Testament Written by trusted Catholic biblical scholars these commentaries interpret Scripture in the light of Catholic

tradition Accessibly written yet substantive the CCSS fills a gap in the available literature by offering commentaries that cover more than brief study guides but are less daunting than scholarly commentaries Extraordinary Hospitality (for Ordinary People) Carolyn Lacey, 2021-04-01 How to offer Christian hospitality without becoming exhausted and overburdened Generous hospitality is a significant way in which God works through our lives to bring life to others yet many of us feel ill equipped and overwhelmed at the prospect especially if we don't have big houses and we are not wonderful cooks Carolyn Lacey encourages us to focus on the goal of hospitality which is to reflect God's welcoming heart and shows us how we can all do that regardless of our bank balance or living situation She explores seven ways in which we can reflect God's character in the way we welcome others into our homes and into our lives and so point people ultimately to Christ This practical and realistic book explores how to make generous hospitality part of everyday life without becoming exhausted and overburdened **Making Room** Chistine D. Pohl, 1999-08-03 For most of church history hospitality was central to Christian identity Yet our generation knows little about this rich life giving practice **The Gospel of Matthew (Catholic Commentary on Sacred Scripture)** Curtis Mitch, Edward Sri, 2010-12-01 Examine the New Testament from within the living tradition of the Catholic Church This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture CCSS which will cover the entire New Testament The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition NABRE References to the Catechism the Lectionary and related biblical texts Theological insights from Church fathers saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written the CCSS aims to help readers understand their faith more deeply nourish their spiritual life and share the good news with others **Exclusion & Embrace** Miroslav Volf, 2010-03-01 Life at the end of the twentieth century presents us with a disturbing reality Otherness the simple fact of being different in some way has come to be defined as in and of itself evil Miroslav Volf contends that if the healing word of the gospel is to be heard today Christian theology must find ways of speaking that address the hatred of the other Reaching back to the New Testament metaphor of salvation as reconciliation Volf proposes the idea of embrace as a theological response to the problem of exclusion Increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle In light of this Christians must learn that salvation comes not only as we are reconciled to God and not only as we learn to live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by God **The Hospitality Commands** Alexander Strauch, 1993 Hospitality plays crucial roles in encouraging unity evangelism and many spiritual gifts in the local church Strauch shows the

Scripture's teaching along with practical hints that he and his wife have learned over the years **Just Imagine** Dianne B. Salter, 2019-07-31 In our everyday lives we are often expected to offer hospitality to others we meet yet for Christians and church leaders hospitality can mean so much more What is hospitality in the spiritual sense Why do we extend God's hospitality Who is called to offer this hospitality And how do we live out God's hospitality Just Imagine The Joy of God's Hospitality Overflowing with Loving Relationships answers these questions and more about Christian hospitality Author Dianne B Salter explains how this is not a program it is a Christian lifestyle especially in the church the body of Christ God's hospitality must be supported and promoted by the pastor and by the church governing group But it will be effective only if the people in the pews take leadership advocate for it and sincerely practice this new lifestyle Based on scriptural directives Just Imagine advocates friendship evangelism building relationships and creating ministries for those not currently a part of the church All chapters end with Hospitality Challenges that help individuals and the church to just imagine what they might become if they truly practiced God's hospitality
