The Heart of Healing Regina Rosenthal, 2013-02 The Heart of Healing is the perfect book for those seeking to deepen their understanding of healing Health care professionals and the chronically ill know that this is a life long journey of growth and development Page 4 of cover

Beliefs Lorraine M. Wright, Wendy L. Watson, Janice M. Bell, 1996-10-31 Beliefs are the lenses through which we view the world and the blueprints from which we construct our lives At no time are family and individual beliefs more affirmed challenged or threatened than when illness emerges But some beliefs are more useful than others This is the first book to offer a specific clinical approach for examining family members beliefs and intervening in that area Drawing on disciplines ranging from religion to anthropology as well as on family therapy and psychology the authors describe their own advanced practice model Rich in clinical examples the book takes readers inside the therapeutic conversation between the clinician and family members to show the model in action By drawing forth more facilitative beliefs to cope with illness the authors uncover and expand the therapeutic possibilities for helping and healing families

Yoga of Heart Mark Whitwell, 2004 Truth is not something we have to seek out It is not something that is absent and far away requiring great effort to find Truth is present within you as the Life that is you In Yoga of Heart Los Angeles based yoga instructor Mark Whitwell takes us back to the time when yoga was first developed to the shamanic past of the Upanishads when yoga was practiced as a means of acknowledging enjoying and participating in the very source of Life Whitwell explores the deeper tantric dimension of hatha yoga how yoga's purpose is to link the mind to the wonder of our own condition He shows how hatha yoga is participation in life's polarities already in union through the male surrender

to the female principle Yoga of Heart shows how we can forge that union of polarities within our body above and below front and back left and right male and female Yoga of Heart focuses especially on clearing the energy centers and meridians fostering dynamic health and allowing practitioners to create a deeper intimacy with both their partners and the energetic life forces in the universe

The Heart Healing Journey Mark DeJesus, 2019-10-07 A 28 Day Experience to Transform Your Heart Are you living a life that is fully alive from the heart In a world where many are just looking to get by in life a remnant is crying out for more They desire to live free from a heart that is fully alive to God and awakened to the transformation that is available to them Are you aware that your heart needs healing The reason you may be struggling in certain areas of your life is because your heart needs to experience healing so that love and truth can have a greater work in your life This book will outline what a heart journey looks like so you can break through some of the hindrances that don't seem to budge Are you passionate for personal transformation Do you want to get to the root issues of your heart so that you can experience the change and transformation you were destined for Then The Heart Healing Journey is the book for you Inside these pages Mark will use over 25 years of personal experience helping people in teaching you the keys to walking in greater wholeness If you have a passion to let your heart experience greater love and healing then get ready for adventure The life of the heart is involved with everything that happens in your life Yet it is one of the most neglected areas that people address We might work overtime on our physiology with exercise or nutrition Or we may develop the capacity of our minds to learn new information and gain more knowledge But have we been trained to live powerfully from a healthy heart life Do we even know what that means In this series of simple yet straightforward writings Mark will walk along side of your journey and encourage you to live with a heart that is fully alive while experiencing the healing that your heart needs Now is your time to stop going through the motions and invite God to breathe life into your heart

Zen Teen Tanya Carroll Richardson, 2018-09-11 A warm and relatable teen guide to reducing anxiety, depression, and panic while developing resilience and confidence with 40 tips and tricks that guide, support, and inspire teens to keep calm and stay mindful. In the last decade, studies have reported a drastic rise in teens who experience anxiety, panic, and an inability to cope with the pressures of daily life. As mental health challenges become less stigmatized, young people are more likely than ever before to know how to identify their feelings and ask for help. Even celebrity teen icons like Selena Gomez are coming out as anxiety sufferers. Zen Teen addresses this epidemic with powerful coping mechanisms and creative tools, including two fun quizzes, tons of engaging exercises, and a cool playlist designed for the teenage mind. With topics like The Unique Genius of You and Rock Star Rituals, Tanya Carroll Richardson prompts teens to get calm by engaging in mindful tasks like identifying gurus, tapping into warrior energy, mastering meditation, practicing realistic optimism, becoming a self-awareness samurai, learning to surrender, finding a spirit animal, expressing challenging emotions, living with loving kindness, protecting the planet, and making vision boards that embrace the Tao of Cool. Smart and fresh, Zen Teen helps teens thrive while navigating and managing the pressures of everyday life.
