The Heavenly Trumpet John Chrysostom And The Art Of Pauline Interpretation:

The Heavenly Trumpet Margaret Mary Mitchell, 2000 Margaret M Mitchell argues that all Pauline interpretation depends to a large degree upon the ways in which readers formulate their own mental and sometimes graphic images of the author Paul John Chrysostom the most prolific interpreter of the Pauline epistles in the early church c 349 407 C E richly exemplifies this phenomenon in his writings and speeches where he composes word portraits of his beloved Paul so as to bring his own readers face to face with the saintly figure he commends for their imitation The author brings together the copious portraits of Paul of his body his soul and his life circumstances found throughout Chrysostom s immense corpus of writings and for the first time analyzes them as complex rhetorical compositions built upon well known conventions and techniques of Greco Roman rhetoric epithet encomium and ekphrasis Chrysostom s literary portraiture by idealizing Paul as the archetypal image of Christian virtue served as a rhetorical vehicle for social construction and replication of the Pauline model in the now Christian society of late antiquity Pauline interpretation as Chrysostom practiced it confounds both the traditional map of patristic exegesis as defined by the dichotomy between Antiochene literalism and Alexandrine allegory and contemporary hermeneutical claims about the death of the author in the interpretive enterprise While Chrysostom s Pauline portraiture may reach exalted heights of artistry it is not unique as comparisons with Chrysostom s Latin contemporary Augustine and recent Pauline scholarship reveal Two appendices offer a fresh translation of Chrysostom s seven homilies de laudibus sancti Pauli and a catalogue and color plates of artistic representations of Chrysostom and Paul that graphically represent the author exegete dynamic this study explores *The Heavenly Trumpet* Margaret M. Mitchell, 2002 *Paul and the Rhetoric of Reversal in 1 Corinthians* Matthew R. Malcolm, 2013-07-25 This book examines why Paul waits until the end of his letter to the Corinthians before mentioning the important theme of resurrection **The Many Faces of Job** Choon-Leong Seow, 2025-03-13 This handbook analyses in a comparative method and on an interdisciplinary level how the biblical figure of Job and his texts were interpreted from premodern times until today highlighting continuities and discontinuities The first volume addresses the premodern period and includes chapters on Second Temple Judaism Jewish Interpretations Christian Interpretations Islam Literature Visual Arts and Music Politics in the Pulpit Eric Ayala, 2023-05-16 Our nation is becoming ever more politicized Everything from the environment to human gender have become political issues While the old sentiment of not preaching politics from the pulpit may have once been good advice it is increasingly more difficult not to The problem preachers have is knowing how to wade through political issues without becoming a political pundit A preacher can end up either merely repeating party talking points or retreating into avoiding biblical topics to avoid dealing with political hot button issues Thankfully our age is not the only one to have ever suffered political crises and we can learn from the preachers of the past One such preacher was John Chrysostom He was not just a preacher but also a man steeped in a sensitive political climate Through the work of a dedicated sermon series Chrysostom was able to calm tensions in a city who

had rioted and destroyed statues of the emperor These Homilies on the Statues proved to be a pivotal and powerful example of political preaching By examining the homiletical methods of John Chrysostom s Homilies on the Statues we can learn how to responsibly and powerfully engaging political topics in our own day

Early Christian Paraenesis in Context James Starr,Troels Engberg-Pedersen,2012-02-13 An up to date discussion of early Christian paraenesis in its Graeco Roman and Hellenistic Jewish contexts in the light of one hundred years of scholarship issuing from a research project by Nordic and international scholars The concept of paraenesis is basic to New Testament scholarship but hardly anywhere else How is that to be explained The concept is also notoriously without any agreed upon definition and it is even contested Can it at all be salvaged This volume reassesses the scholarly discussion of paraenesis both the concept and the phenomenon since Paul Wendland and Martin Dibelius and argues for a number of ways in which it may continue to be fruitful

Talking God in Society Ute E. Eisen,Heidrun Elisabeth Mader,2021-01-18 Peter Lampe s work has covered a wide range of fields the common denominator being his interest in contextualizing belief systems Mirroring his multifaced work the authors pursue his interest from different interdisciplinary angles addressing the interdependence between religious expressions and their situations or contexts The application of theoretical models to texts examples flanks the inspiring theoretical epistemological and methodological reflections Studies in socio economic and political history adjoin archaeological epigraphic papyrological and iconographic investigations Social psychological interpretations of texts complement rhetorical analyses The hermeneutical reception of biblical materials in for example the Koran and Christian Chinese or Orthodox contexts as well as in religious education and homiletics rounds off the volumes

Natural Law Anver M. Emon,Matthew Levering,David Novak,2014-05-16 This book is an examination of natural law doctrine rooted in the classical writings of our respective three traditions Jewish Christian and Islamic Each of the authors provides an extensive essay reflecting on natural

law doctrine in his tradition Each of the authors also provides a thoughtful response to the essays of the other two authors Readers will gain a sense for how natural law or cognate terms resonated with classical thinkers such as Maimonides Origen Augustine al Ghazali and numerous others Readers will also be instructed in how the authors think that these sources can be mined for constructive reflection on natural law today A key theme in each essay is how the particularity of the respective religious tradition is squared with the evident universality of natural law claims The authors also explore how natural law doctrine functions in particular traditions for reflection upon the religious other

Chrysostom's Devil Samantha L. Miller, 2020-03-17 References to demons and the devil permeate the rhetoric of John Chrysostom the golden tongued early church preacher and theologian Samantha Miller examines Chrysostom's theology and world helping us understand the role of demons in his soteriology and exploring what it means to be human and to follow Christ in a world of temptation

A Disabled Apostle Isaac T. Soon, 2023-09-01 Speculation around the health of Paul the Apostle has been present since soon after his death Recently scholars have understood Paul to be disabled but have been wary of isolating precisely what his disabilities may have been or whether they are important for understanding his writings This book is the first full length study of Paul the Apostle and disability Using insights from contemporary disability studies Isaac Soon analyses features of Paul's body in his ancient Mediterranean context to understand the ways in which his body was disabled Focusing on three such ancient disabilities demonization circumcision and short stature this book draws on a rich variety of ancient evidence from textual sources and epigraphy to ancient visual culture to analyze ancient bodily ideals and the negative cultural effects such deviant persons generated The book also examines Paul's use of his own disabilities in his letters and shows how disability is not subsidiary to his thought but a central aspect of it This book also provides scholars with a new method for uncovering previously unrecognized disabilities in the ancient world Last of all it critiques the latent ableism in much New Testament scholarship which assumes that the figures of the early Jesus movement were able bodied

Paul, Christian Textuality, and the Hermeneutics of Late Antiquity, 2023-12-07 The essays in the present volume celebrate the work of Margaret M Mitchell University of Chicago by engaging extending and challenging her ground breaking research in three areas 1 the letters of Paul the Apostle both authentic and pseudepigraphic 2 the emergence and rapid development of early Christian literary culture over the first few centuries of the cult's existence and 3 Late Antique interpretive practices and perspectives particularly among patristic readers of the scriptures

The Cambridge History of Early Christian Literature Frances Young, Lewis Ayres, Andrew Louth, 2004-04 Publisher Description

Interpreting the Gospel of John in Antioch and Alexandria Miriam DeCock, 2020-12-28 A nuanced study of early Christian exegesis Miriam DeCock analyzes four important early Christian treatments of the Gospel of John including commentaries by Origen and Cyril from the Alexandrian tradition

and the homilies of John Chrysostom and the commentary of Theodore of Mopsuestia which represent Antiochian traditions DeCock maintains that the traditional distinction between nonliteral and literal interpretations in these two early Christian centers remains helpful despite recent challenges to the paradigm She argues that a major and abiding distinction between the two schools lies in the manner in which Alexandrian and Antiochian authors apply the gospel text to their respective communities DeCock demonstrates that the Antiochenes find primarily literal moral examples and doctrinal teachings in John's Gospel whereas the Alexandrians find both these and nonliteral teachings concerning the immediate situation of the church and of its individual members Features An examination of each author's interpretations of a selection of texts Focused explorations of John 2:4 and 9:11 in early Christian exegesis A study of early literal/nonliteral interpretations of John's Gospel

Paul and the Corinthians: Studies on a Community in Conflict Trevor J. Burke, Keith Elliott, 2014-04-09 This volume has 1 and 2 Corinthians as its main focus where the various contributors address significant aspects of text language background theology and exegesis The first part of the volume deals with the issues of textual criticism and traditions available to Paul while the second section is interdisciplinary in nature and integrates different methodologies such as social scientific and rhetorical criticism in order to provide new insights into the text The third and longest section addresses the varied theological problems which the community raised with Paul including sexual matters the timing of the resurrection the resurrection body authority and headship soteriology and the question of Paul's faithfulness and integrity The final section concentrates on the identity of Paul's opponents his visions and apologetics
