wholeness in a society in which she has been defined according to masculine values Drawing upon cultural myths and fairy tales ancient symbols and goddesses and the dreams of contemporary women Murdock illustrates the need for and the reality of feminine values in Western culture today *Story Sensei Heroine's Journey Worksheet* Camy Tang,2024-03-23 Make your character's story arc resonate more emotionally with readers What is the Heroine's Journey Joseph Campbell originally wrote about the Hero's Journey in his book *The Hero With a Thousand Faces* as a psychological analysis of the classical myth formula Maureen Murdock took Campbell's work her own psychology experience and other psychoanalytical writings and world myths to develop *The Heroine's Journey* for women Often a male and female character will respond differently to conflict in a story because culture and time period will affect a character differently due to gender As a result their internal story arcs will differ according to gender also Whether in romances or women's fiction often a heroine's story arc is more about internal awakening as opposed to the quest style of the Hero's Journey This makes the Heroine's Journey a good template for a heroine's story arc If readers comment that there's something off with a character's story arc the Heroine's Journey applied to a heroine will often make her story more psychologically resonant and satisfying for a reader How this worksheet can help you This worksheet consists of the Heroine's Journey explained in detail questions for you to answer about your heroine and examples to explain each stage of the Heroine's Journey It will guide you in an easy way toward applying the Heroine's Journey structure for your heroine This worksheet will help you Create a more emotionally resonant internal arc for your heroine Or change up your hero's internal journey with one of self discovery by applying the Heroine's Journey to his story arc Fix and strengthen disjointed character development Manipulate and strengthen story pacing Keep a character's internal arc in a forward moving motion rather than stagnating Build the internal arc toward the Black Moment crisis Draw the internal arc full circle in a way that will satisfy readers Use the Heroine's Journey even in a romance where there's also a hero taking up 50% of the book Double check that the external events in the story are fueling and forwarding the character's internal arc Revise a synopsis or a completed manuscript Please note this tool is not meant to replace a synopsis because it doesn't focus as strongly on the external events and conflicts in the story it's more focused on the internal events and internal conflicts of your heroine This worksheet was created by utilizing the compilation of information on the Heroine's Journey derived not only from Maureen Murdock's book but also other psychology writings and an understanding of Joseph Campbell's original Hero's Journey This newly revised edition includes extra examples for each stage of the Heroine's Journey and more detail on previous examples Are you unsure why your heroine's emotional story doesn't strike the right chord with readers This worksheet will help set you on the right track [Buffy and the Heroine's Journey](#) Valerie Estelle Frankel,2014-01-10 The worlds of Percy Jackson Harry Potter and other modern epics feature the Chosen One an adolescent boy who defeats the Dark Lord and battles the sorrows of the world Television's Buffy the Vampire Slayer represents a different kind of epic the heroine's journey not the hero's This provocative study explores how Buffy

blends 1990s girl power and the path of the warrior woman with the oldest of mythic traditions It chronicles her descent into death and subsequent return like the great goddesses of antiquity As she sacrifices her life for the helpless Buffy experiences the classic heroine's quest ascending to protector and queen in this timeless metaphor for growing into adulthood The Heroine's Journey in Hollywood Melika Zayehmoureh,2023 This thesis examines Joseph Campbell's theory of the hero's journey as it pertains to the heroine especially in Hollywood It refutes Campbell's mythological premise that only men can experience the hero's journey thereby being labeled as heroes because of the actions they performed to reach maturity This thesis demonstrates that although women reach maturity through the natural means of biology as described by Campbell they can still make change occur because they have a mind and a will to act as well Stories of women such as Ninveh from the screenplay Journey to Freedom Katniss from The Hunger Games 2012 and Esther from the Bible are examined to prove that women have gone through the hero's journey The strengths of self sacrifice courage and determination are analyzed for each protagonist to illustrate the internal strengths that women possess unlike men which push them to be the heroines of their own stories
