THE THIRD

Thomas More
A READING EDITION
By George M. Logan

The History Of King Richard The Third A Reading Edition

**Saint Thomas More, Sir Thomas More
(Saint)**

The History Of King Richard The Third A Reading Edition:

More's History of King Richard III. Saint Thomas More, Sir Thomas More (Saint), 1883 **The History of King Richard the Third** Thomas More, 2005-11-03 The History of King Richard the Third is Thomas More's English masterpiece. With the help of Shakespeare, whose Richard the Third took More's work as its principal model, the History determined the historical reputation of an English king and spawned a seemingly endless controversy about the justness of that reputation. George M. Logan has produced a scholarly yet accessible edition of the History designed to make More's exhilarating work fully accessible to 21st century readers. More's text is presented here with modern English spelling and punctuation and with full annotation of linguistic difficulties and the historical background. The text is preceded by a general introduction, a chronology, and suggestions for further reading. An appendix reprints passages from key sources and analogues, enabling the reader to see how More worked with his English sources and classical models and finally how Shakespeare worked with More. **The Bones of a King** The Grey Friars Research Team, 2015-04-27 The dramatic story of Richard III, England's last medieval king, captured the world's attention when an archaeological team led by the University of Leicester identified his remains in February 2013. *The Bones of a King* presents the official behind-the-scenes story of the Grey Friars dig from the team of specialists who discovered and identified his remains. The most extensive and authoritative book written for non-specialists by the expert team who discovered and analysed the remains of Richard III. Features more than 40 illustrations, maps, and photographs. Builds an expansive view of Richard's life, death, and burial, as well as accounts of the treatment of his body prior to burial and his legacy in the public imagination from the time of his death to the present. Explains the scientific evidence behind his identification, including DNA retrieval and sequencing, soil samples, his wounds, and his scoliosis, and what they reveal about his life, his health, and even the food he ate. A behind-the-scenes look at one of the most exciting historical discoveries of our time. *Richard III* Charles Ross, 1999-01-01 Charles Ross assesses the king within the context of his violent age and explores the critical questions of the reign: why and how Richard Plantagenet usurped the throne; the belief that he ordered the murder of The Princes in the Tower; the events leading to the battle of Bosworth in 1485 and the death of the Yorkist dynasty with Richard himself. In a new foreword. Professor R. A. *Secret History* John C. Denning, 1996-01-01 *Richard III* Desmond Seward, 1983 **Genre in English Medical Writing, 1500–1820** Irma Taavitsainen, Turo Hiltunen, Jeremy J. Smith, Carla Suhr, 2022-10-13 This multidisciplinary volume offers new insights into the development of genres of medical discourse in changing socio-cultural contexts. **Reading Richard III and the Tower of London** Kristen Deiter, 2024-08-29 This is the first book on Richard III and the Tower of London, shedding new light on the King's reputation, the Castle's lore, and early modern literature's role in building associations between them. It is also one of the first books to integrate conceptual blending theory and spatial literary studies, empowering scholars and students to analyze literature and locations in new ways. This book fills gaps in the existing knowledge about both Richard III and the Tower of London. Neither

literary nor historical scholarship has treated the process through which Richard III and the Tower became associated in the cultural and historical imagination and how such representations have shaped the King's reputation and the Castle's lore. This study analyzes this process while offering new understandings of Richard III as a literary character in prose drama and poetry and extending knowledge about the Tower as an iconic literary and cultural symbol.

The Cambridge Companion to Thomas More George M. Logan, 2011-01-27 This Companion offers a comprehensive introduction to the life and work of a major figure of the modern world. Combining breadth of coverage with depth, the book opens with essays on More's family, early life and education, his literary humanism, virtuoso rhetoric, illustrious public career and ferocious opposition to emergent Protestantism and his fall from power, incarceration, trial and execution. These chapters are followed by in-depth studies of five of More's major works: *Utopia*, *The History of King Richard the Third*, *A Dialogue Concerning Heresies*, *A Dialogue of Comfort against Tribulation* and *De Tristitia Christi*, and a final essay on the varied responses to the man and his writings in his own and subsequent centuries. The volume provides an accessible overview of this fascinating figure to students and other interested readers, whilst also presenting and in many areas extending the most important modern scholarship on him.

Richard III: A Critical Reader Annaliese Connolly, 2013-10-24 Charting the ruthless rise and fall of the villainous king, Richard III remains one of Shakespeare's most enduringly discussed and oft-performed plays. Assembled by leading scholars, this guide provides a comprehensive survey of major issues in the contemporary study of the play. Throughout the book, survey chapters explore such issues as the play's critical reception from Dr Johnson to postmodern readings in the 21st century; the performance history of the play from Shakespeare's day to more recent stagings by Laurence Olivier and Ian McKellen; key themes in current scholarship from disability to gender and nationalism; Richard III on film, including Al Pacino's *Looking for Richard*; *Richard III: A Critical Guide* also includes a complete guide to resources available on the play, including critical editions, online resources and an annotated bibliography, and how they might be used to aid both the teaching and study of Shakespeare's play.

Medieval and Renaissance Drama in England S. P. Cerasano, Mary Bly, Heather Anne Hirschfeld, 2013-09-30 *Medieval and Renaissance Drama in England* is an international journal committed to the publication of essays and reviews relevant to drama and theatre history to 1642. This issue includes eleven new articles and reviews of twelve books.

Loyalty to the Monarchy in Late Medieval and Early Modern Britain, c.1400-1688 Matthew Ward, Matthew Hefferan, 2020-06-30 This book explores the place of loyalty in the relationship between the monarchy and their subjects in late medieval and early modern Britain. It focuses on a period in which political and religious upheaval tested the bonds of loyalty between ruler and ruled. The era also witnessed changes in how loyalty was developed and expressed. The first section focuses on royal propaganda and expressions of loyalty from the gentry and nobility under the Yorkist and early Tudor monarchs, as well as the fifteenth-century Scottish monarchy. The chapters illustrate late medieval conceptions of loyalty, exploring how they manifested themselves and how they persisted and developed into early modernity. Loyalty to the

later Tudors and early Stuarts is scrutinised in the second section gauging the growing level of dissent in the build up to the British Civil Wars of the seventeenth century The final section dissects the role that the concept of loyalty played during and after the Civil Wars looking at how divergent groups navigated this turbulent period and examining the ways in which loyalty could be used as a means of surviving the upheaval

The Oxford Handbook of Shakespeare and Embodiment Valerie Traub, 2016-09-08 The Oxford Handbook of Shakespeare and Embodiment brings together 40 of the most important scholars and intellectuals writing on the subject today Extending the purview of feminist criticism it offers an intersectional paradigm for considering representations of gender in the context of race ethnicity sexuality disability and religion In addition to sophisticated textual analysis drawing on the methods of historicism psychoanalysis queer theory and posthumanism a team of international experts discuss Shakespeare's life contemporary editing practices and performance of his plays on stage on screen and in the classroom This theoretically sophisticated yet elegantly written Handbook includes an editor's Introduction that provides a comprehensive overview of current debates

The Artistic Links Between William Shakespeare and Sir Thomas More C. Hallett, 2011-06-20 The Hallett's investigation differs from anything that has been written about the relationship between Thomas More and William Shakespeare in that it approaches the subject from a dramaturgical point of view This book defines in specific terms what Shakespeare learned from his study of More's History and how he learned it

Unfixable Forms Katherine Schaap Williams, 2021-06-15 Unfixable Forms explores how theatrical form remakes and is in turn remade by early modern disability Figures described as deformed lame crippled ugly sick and monstrous crowd the stage in English drama of the sixteenth and seventeenth centuries In each case such a description distills cultural expectations about how a body should look and what a body should do yet crucially demands the actor's embodied performance In the early modern theater concepts of disability collide with the deforming vulnerable body of the actor Reading dramatic texts alongside a diverse array of sources ranging from physic manuals to philosophical essays to monster pamphlets Katherine Schaap Williams excavates an archive of formal innovation to argue that disability is at the heart of the early modern theater's exploration of what it means to put the body of an actor on the stage Offering new interpretations of canonical works by William Shakespeare Ben Jonson Thomas Dekker Thomas Middleton and William Rowley and close readings of little known plays such as The Fair Maid of the Exchange and A Larum For London Williams demonstrates how disability cuts across foundational distinctions between nature and art form and matter and being and seeming Situated at the intersections of early modern drama disability studies and performance theory Unfixable Forms locates disability on the early modern stage as both a product of cultural constraints and a spark for performance's unsettling demands and electrifying eventfulness

Performativity of Villainy and Evil in Anglophone Literature and Media Nizar Zouidi, 2021-07-24 Performativity of Villainy and Evil in Anglophone Literature and Media studies the performative nature of evil characters acts and emotions across intersecting genres disciplines and historical eras This collection brings together

scholars and artists with different institutional standings cultural backgrounds and inter disciplinary interests with the aim of energizing the ongoing discussion of the generic and thematic issues related to the representation of villainy and evil in literature and media The volume covers medieval literature to contemporary literature and also examines important aspects of evil in literature such as social and political identity the gothic and systemic evil practices In addition to literature the book considers examples of villainy in film TV and media revealing that performance performative control and maneuverability are the common characteristics of villains across the different literary and filmic genres and eras studied in the volume

Richard III Paul Prescott, 2006-03-29 This introduction to the performance potential of one of Shakespeare's most theatrically exciting plays provides extensive commentary that explores the challenges faced by actors and directors and encourages readers to engage imaginatively with Shakespeare's words Chapters on stage film and critical history combine to form a comprehensive study

Telltale Women Allison Machlis Meyer, 2021 Telltale Women fundamentally reimagines the relationship between the history play and its source material as an intertextual one presenting evidence for a new narrative about how and why these genres disparately chronicle the histories of royal women Allison Machlis Meyer challenges established perceptions of source study historiography and the staging of gender politics in well known drama by arguing that chronicles and political histories frequently value women's political interventions and use narrative techniques to invest their voices with authority Dramatists who used these sources for their history plays thus encountered a historical record that offered surprisingly ample precedents for depicting women's perspectives and political influence as legitimate and writers for the commercial theater grappled with such precedents by reshaping source material to create stage representations of royal women that condemned queenship and female power By tracing how the sanctioning of women's political participation changes from the narrative page to the dramatic stage Meyer demonstrates that gender politics in both canonical and noncanonical history plays emerge from playwrights intertextual engagements with a rich alternative view of women in the narrative historiography of the sixteenth and seventeenth centuries Holinshed's Nation Igor

Djordjevic, 2016-04-29 Raphael Holinshed's account of English history from 1377 1485 in the Chronicles of England Scotland and Ireland is most well known as the source of Shakespeare's English history plays Although the Chronicles are widely read and studied published scholarly opinion with a few exceptions has been limited to the discipline of history This book explores the historiographic materials of the Chronicles through a literary lens focusing on how Renaissance men and women read historical texts framed by these questions How did Holinshed understand and view history What were his motives in composing the Chronicles What did sixteenth and seventeenth century English readers learn from the work Igor Djordjevic explores both the lexical and semantic dimensions as well as lessons in both foreign and domestic policy in the 1577 and 1587 texts and in writers who used or appropriated the Chronicles including Shakespeare Daniel Heywood and Milton This study reevaluates our understanding of Renaissance chronicle history and the impact of Holinshed on Tudor Jacobean and

Caroline political discourse the Chronicles emerge not as a series of rambling digressive episodes characteristic to a dying medieval genre but as the preserver of national memory the teacher of prudent policy and a builder of the commonwealth ideal

The History Of King Richard The Third A Reading Edition Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. The History Of King Richard The Third A Reading Edition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The History Of King Richard The Third A Reading Edition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The History Of King Richard The Third A Reading Edition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The History Of King Richard The Third A Reading Edition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The History Of King Richard The Third A Reading Edition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The History Of King Richard The Third A Reading Edition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The History Of King Richard The Third A Reading Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
