Scrapbook Jack Whyte, 2015-06-21 Access to arts and culture should be free for everyone says artist Jack Whyte Anyone can tour my 2015 exhibits online for free and from anywhere in the world He and his son Dylan Whyte created a virtual gallery this past Spring where artworks are experienced up close and personally as if literally standing in front of them It's great to produce and present work on a scale of my choice the way I originally envisioned it Jack explains As a young boy he never imagined having the opportunity to design and construct art without restriction The discovery of a platform which allows for creative freedom has provided a new means for connecting with others Jack Whyte was born in 1939 in Toronto Ontario just before the start of the second World War Having been influenced at an early age by a creative environment he has pursued artistic practices as well as the adventure of invention for more than 55 years 2015 marks the beginning of a new exploit for Jack the release of his latest publication Scrapbook a story of art From modelling with Mickey Mouse as a child to showing at the Pollock Gallery and even winning awards for videos this book recounts the journey and challenges faced by a becoming artist and the enormous adversity that life can throw at you In the autumn of 2014 Jack mentioned to his son Dylan that he was starting a book and could use some help with it Over the course of a long winter and many toasty afternoons by the fire they searched for found prepared and put together what has become a very personal and thoughtful one of a kind memoir It's not until you have the whole story that you really understand how the pieces all fit together says Dylan Whyte It's also difficult to put everything into perspective when you're part of the story Getting to the point where I can hold a part history in my hands helps me understand where I come from When Jack and Dylan started producing the book it was just a collection of stories and images but with months of collaboration and hard work they have created an album that is delightfully personable and genuinely familiar Jack tells you about the experiences that influenced him as an

artist and includes all sorts of fun stories from his life says Ashley Whyte wife of Dylon and proprietor of the Whytes gallery on the waterfront in the Gore Bay Harbour Centre There is also an abundance of never before seen photographs and a wealth of artwork When Jack named it Scrapbook he really meant it Coming in at a whole 456 pages Scrapbook was digitally published in June of this year and is available online for everyone to read for free Although it was only meant to be a digital publication new economic platforms have given Scrapbook the opportunity to become something more than just a concept The book is obviously quite big and financing a print run on our own wouldn't be viable so we talked about other options and crowdfunding came up as a potential explains Ms Whyte It's an incredibly different approach than anything Jack is familiar with he has always done things on his own It wasn't until only recently that we knew something like this even existed Crowdfunding is the process of funding your projects through small contributions made by many individuals in order to attain a certain monetary goal typically via the internet The model that has been around the longest is rewards based crowdfunding where people can donate and receive goods in recognition of their support Ashley and Dylon Whyte have taken Scrapbook to RocketHub a platform specializing in arts and entertainment to seek help in bringing Jack's story to life They've launched their campaign and are working to raise 11 500 to cover the costs of printing a limited edition hardcover In the meantime Scrapbook remains free for everyone to read online and enjoy For more information about Scrapbook and how you can help please visit their Rockethub campaign at scrapbook.whytesonline.com

Iggy and the Kid! Martin Avery, 2010-06-24 A Novel Celebration Of Canada The Winter Olympics 2010 And Hockey Hockey Hockey *The Rangers, The Bruins, And The End of an Era* Jay Moran, 2009 This book is a tribute to the rivalry the New York Rangers had with the Boston Bruins during the decade that Emile Francis ran the club Growing up these two teams are what defined hockey for me and the team was not simply a city or a sweater or a jersey it was the players As Mr Francis himself told me Every time we played it was a war That was the greatest rivalry I've ever seen I wrote this book for the fans of both teams hoping that it would bring back some great memories from a time when the game was a lot different than it is today *Truth*, 1911 [The Hockey News Hockey Almanac, 1999](#) Zander Hollander, 1998-09 Replacing Inside Sports Hockey this almanac continues to offer unprecedented coverage of the game Featuring 300 photos and 800 pages this fully updated edition is still the only publication with the complete all time NHL Player Register

Hockey Field and Lacrosse, Including Net-ball, 1922 **Survival from the Start** Saavo, 2017-12-27 These stories are based on a real person and different experiences of the main character The fortunate thing is the author is one of the few people who can converse with the person behind the premier character and in his native language There is not any interest on his part to put his experiences in print but he is fine with me doing so There is still his strong belief in old fashioned traditions of passing down stories by oral means alone Neither one has the desire to present any of his heroes in a negative or embarrassing light while still getting the story across Meanings and interpretations can be made any way the reader would like That is up to you
