## **The Holy Twins Benedict And Scholastica:**

**The Holy Twins** Kathleen Norris, 2004-05 Kathleen Norris acclaimed author of *The Cloister Walk* offers a moving text to accompany beloved artist Tomie dePaola's strikingly beautiful frescolike paintings in the dramatic and inspiring story of two miraculous yet very human siblings. The twins Benedict and Scholastica grew up as lively best friends in northern Italy but their paths diverged when it became time for them to enter adulthood. Benedict's life was filled with dramatic moments and miracles as he grew into an important spiritual leader. Scholastica lived a quieter life but she remained a strong influence on her brother as he developed the Rule of St. Benedict which guides the Benedictine order to this day. Kathleen Norris lives in Lemmon, South Dakota and Honolulu, Hawaii. Tomie dePaola lives in New London, New Hampshire. *Dakota* Kathleen Norris, 2001-04-06 A deeply spiritual, deeply moving book about life on the Great Plains by the New York Times bestselling author of *The Cloister Walk*. The New York Times Book Review: With humor and lyrical grace, Kathleen Norris meditates on a place in the American landscape that is at once desolate and sublime, harsh and forgiving, steeped in history and myth. San Francisco Chronicle: A combination of reporting and reflection, *Dakota* reminds us that wherever we go, we chart our own spiritual geography. **Oliver Button Is a Sissy** Tomie dePaola, 2017-07-04 This beautiful edition of Tomie dePaola's progressive 1979 classic stars a special little boy who won't give up on the dreams that make him unique. Oliver Button is a sissy. At least that's what the other boys call him. But here's what Oliver Button really is: a reader and an artist and a singer and a dancer and more. What will his classmates say when he steps into the spotlight? *Amazing Grace* Kathleen Norris, 1999-04-01 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR. From the New York Times bestselling author of *The Cloister Walk*, a book about Christianity, spirituality, and rediscovered faith. Struggling with her return to the Christian church after many years away, Kathleen Norris found it was the language of Christianity that most distanced her from faith. Words like judgment, faith, dogma, salvation, sinner, even Christ formed what she called her scary vocabulary words that had become so codified or abstract that their meanings were all but impenetrable. She found she had to wrestle with them and make them her own before they could confer their blessings and their grace. Blending history, theology, storytelling, etymology, and memoir, Norris uses these words as a starting point for reflection and offers a moving account of her own gradual conversion. She evokes a rich spirituality rooted firmly in the chaos of everyday life and offers believers and doubters alike an illuminating perspective on how we can embrace ancient traditions and find faith in the contemporary world. **Teeny Tiny**, 1997 Retells the tale of the teeny tiny woman who finds a teeny tiny bone in a churchyard and puts it away in her cupboard before she goes to sleep. [The Cloister Walk](#) Kathleen Norris, 1997-04-01 A NEW YORK TIMES BESTSELLER AND NEW YORK TIMES NOTABLE BOOK OF THE YEAR. Vivid, compelling. An embrace of moral and spiritual contemplation. The New York Times: A remarkable piece of writing. If read with humility and attention, Kathleen Norris's book becomes *lectio divina* or holy reading. The Boston Globe: From the iconic author of *Amazing Grace*, *A Vocabulary of Faith*, a spiritual journey that brings

*Living Water*, Klara Tammany is a professional Christian educator who goes about her calling with a joyous urgency This book demonstrates her impassioned approach to religious instruction She starts with the premise that ongoing Christian education must be central to a life of faith and then proceeds from the corollary that baptism must be central to all Christian education Eight group sessions focus repeatedly on water first as a natural element necessary to life then as a symbolic element necessary to spirituality Gradually through prayer song scripture silence poetry visual arts storytelling group discussion and personal reflection water as baptismal element gains ascendancy No longer mere occasional refreshment *Living Water* inundates becomes life's very medium This text makes for excellent catechumenal preparation but is intended for use by all Christians those who are years into their journeys as well as those who are beginning Designed for small groups of adult Episcopalians the program is easily adaptable to other denominations to one on one spiritual mentoring to children young adult or intergenerational groups and even to individuals for private meditation *Celebrating the Lectionary® for Preschool and Kindergarten, Year C*, 2019-02-07

**Fostering Children's Faith** Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children s faith This book succinctly explores many ways we can support children s faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children s relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us

Finding the Monk Within Edward C. Sellner, 2008 Finding the Monk Within is written with the conviction that lying deep within every person and underlying much of contemporary western and eastern cultures is an ancient memory a vital archetypal energy related to monasticism and its spirituality This book recovers that monastic memory the living presence of the past for those who desire to name and incorporate monastic values values of solitude and silence faith and compassion friendship and mentoring contemplation and leadership itself The author examines the social and religious dimensions in the fourth century that gave rise to monasticism then looks at Christian leaders from late antiquity to the medieval period associated with monasticism in both East and West who have much to teach about monastic values and their relevance for today among them Antony the first monk Augustine and Jerome John Cassian Brigit of Kildare and early Celtic monasticism Gregory the Great Benedict and Scholastica and finally Bernard of Clairvaux By studying the history of monasticism and its great heroes we come to realize that for the Christian much of what we call monastic is purely and simply what being a follower of Christ is all about and that being a monk whether inside monastic enclosures or outside in the world is simply becoming the sort of person everyone ought to be a person who unites action and contemplation in the care of souls writes the author By becoming familiar with the stories and thought of these inspirational figures readers will be inspired to incorporate monastic perspectives and values into their own lives
