*The Witch of Seven Gables* C. Greenshields, 2019-09-25 The Whiting family has no idea what hell is in store for them They are drawn into a downward spiral of psychological and supernatural torture The Great Beast has turned its will against all that would stand in the way of the immolation of all mankind Unwittingly John Whiting built his home and brought his family into the lair of The Witch of Seven Gables In this excerpt from Chapter Two Remember the Maine you get a taste for what will follow WARNING graphic description to follow may not be suitable for younger readers Somewhere deep in the primitive part of his brain something compelled him to look over his shoulder and be prepared to fight He felt a shudder in his spine To lay eyes upon the thing turned his blood to sleet

Impossibly fast the blue apparition charged from the distance toward him bent on murder Stricken he watched the horror close in on him A corpse woman wrapped in its awful shroud cast in a blue light from a hellish place bore down on him faster than anything could possibly move Paralyzed he begged his leaden arms and legs to move but to no avail The closer the wraith came the more urgency he felt The awful scorching heat of terror burned his flesh until he unlocked somehow and began to move but he could only scramble back reeling with affright Stumbling backward over a rotten log he fell never taking eyes off the ghoulis figure overtaking him Down he fell on his ass Then a flash of light following the blow to the back of his head from falling against an unforgiving surface His eyes closed and he was out One two then he slowly returned to his senses Fight dammit he thought forcing his eyes to open The corpse woman was face to face with him He could feel the cold of her skin near his face Trying to perceive what his eyes were seeing staring back into his eyes were the dimly veiled white opaque eyes of the dead Her mouth was open to bite his face she moved in now and he could smell the s smelling foulness of her corpsey maw Rotten flesh grey gums and inky teeth all showing from the grimace of decay and ferocity An inch from his face she paused above him and arched her back as if to draw breath and then the scream smashed his brain like a hatchet The sound made him scramble to his feet wincing from the bite that he knew was coming
