Sweetest Obsession Ann Mayburn,2017-04-25 This is a STANDALONE insta obsession erotic romance set in the Cordova Empire series no cheating HEA no cliffhanger Ramon In my family there's an old story going back generations about love at first sight I used

to think it was a fairytale until I met my sweet Joy The more I got to know her the more I wanted her But the world of the cartels is a dangerous place so I watched her from afar wishing things were different and I could claim her for my own Despite my best efforts to keep her safe evil found Joy After she endured a savage beating at the hands of a rival cartel I vowed to do everything in my power to make her mine and win her heart I can only pray that when she finds out the truth about me and the things I've done to bind her to me forever that she'll be able to love the monster I really am Joy Without a doubt Ramon Cordova is one of the biggest jerks I've ever met He's egotistical bossy and seems to know how to push all my buttons Too bad he's also sinfully handsome utterly charming when he wants to be and is the only man I feel safe with After the attack I've become afraid of the world outside of my home afraid of crowds afraid of loud noises afraid of everything When I'm in Ramon's strong arms those fears melt away I know there's a darkness inside of him that he tries to hide and I'm afraid that when I finally find out the secrets he's been keeping he'll destroy what's left of my battered heart *Molly Moon's Hypnotic Time-Travel Adventure* Georgia Byng, 2009-09-30 Molly Moon has just found herself in the wrong place at the wrong time A conniving super rich maharaja has abducted Molly and Petula the pug and whisked them back to nineteenth century India Using the art of Time Travel Hypnosis he has also kidnapped four younger versions of Molly as part of a plan to stop Molly ever learning her hypnotic skills With not only her past but the future of the world at stake can Molly outwit the cunning maharaja before it's too late *The Conquest of Abyssinia* Shihāb al-Dīn Aḥmad ibn 'Abd al-Qādir 'Arabfaḳīh, Richard Pankhurst, 2003 Sihab ad Din Ahmad bin Abd al Qader's account of the early sixteenth century Jihad or holywar in Ethiopia of Imam Ahmad bin Ibrahim better known as Ahmad Gran or the Left handed is an historical classic The Yamani author was an eyewitness of several of the battles he describes and is an invaluable source His book which is full of human and at times tragic drama makes a major contribution to our knowledge of a crucially important period in the history of Ethiopia and Horn of Africa Futuh al Habasa or Conquest of Abyssinia which undoubtedly reflects the situation as it seemed to its Yamani author at the time of its composition The forces of Imam Ahmad bin Ibrahim had occupied the greater part of Ethiopia The resistance of Emperor Lebna Dengel had virtually come to an end and many Christians had chosen to convert to Islam The victorious Imam's regime seemed there to stay This was however far from the end of the story The Imam was killed in battle on February 21 1543 whereupon his army almost immediately disintegrated Those of his soldiers who could do so made their way back to the East Not a few Muslim converts reverted to their former faith The Futuh thus refers to a relatively short though crucially important period in Ethiopia's long history The book is nevertheless valuable in that its author was an eye witness of many of the events he describes and writes as far as we can judge with a degree of objectivity rare for his time What people say about this book This book is the first ever complete English translation of the Arabic account on the campaigns of Imam Ahmad b Ibrahim al Ghazi popularly known as Gran as written by the Yemeni jurist Shihab al din Ahmad b Abd al Qadir b Salim b Uthman also known as Arab Faqih it is a welcome addition to the rich corpus

of Arabic literary and historical sources relevant to the sixteenth century Ethiopia and the Horn It is particularly useful for English speaking researchers and established scholars who cannot read either the Arabic text or the authoritative French translation prepared by Rene Basset both Stenhouse and Pankhurst and the publisher deserve high commendation respectively for producing such a valuable work that represents a major contribution to the history of Ethiopia and the Horn and for making it available to the wider English speaking readership and scholarship Hussein Ahmed is a Professor of History at Addis Ababa University He is a leading historian of Islam in Ethiopia In the history of conflict in Africa and beyond few stories of drama and human tragedy equal Imama Ahmad s conquest of the Christian kingdom of Ethiopia 1529 1543 His short lived spectacular victories and determination to replace Christianity by Islam and the remarkable survival of Christianity in Ethiopia is a story of epic proportions which still generates strong emotion among both the Christian and the Muslim population of Ethiopia In other words Imam Ahmad s jihadic war besides being legendary was a major turning point This is truly a wonderful work which is destined to remain an indispensable source for the history of Ethiopia and the Horn of Africa during the first half of the tumultuous sixteenth century Anyone interested in understanding the intensity and brutality of religious war will be rewarded by reading this classic Mohammed Hassen is an Associate Professor of African history at Georgia State University in Atlanta He is the author of The Oromo of Ethiopia A History 1570 1860
