The Ideological Origins Of The British Empire Ideas In Context

Jason Peacey

The Ideological Origins Of The British Empire Ideas In Context:

The Ideological Origins of the British Empire David Armitage, 2000-09-04 The Ideological Origins of the British Empire presents a comprehensive history of British conceptions of empire for more than half a century David Armitage traces the emergence of British imperial identity from the mid sixteenth to the mid eighteenth centuries using a full range of manuscript and printed sources By linking the histories of England Scotland and Ireland with the history of the British Empire he demonstrates the importance of ideology as an essential linking between the processes of state formation and empire building This book sheds light on major British political thinkers from Sir Thomas Smith to David Hume by providing fascinating accounts of the British problem in the early modern period of the relationship between Protestantism and empire of theories of property liberty and political economy in imperial perspective and of the imperial contribution to the emergence of British identities in the Atlantic world *Foundations of Modern International Thought* David

Armitage, 2012-11-29 Between the early seventeenth and mid nineteenth centuries major European political thinkers first began to look outside their national borders and envisage a world of competitive equal sovereign states inhabiting an international sphere that ultimately encompassed the whole globe In this insightful and wide ranging work David Armitage one of the world s leading historians of political thought traces the genesis of this international turn in intellectual history *Foundations of Modern International Thought* combines important methodological essays which consider the genealogy of globalisation and the parallel histories of empires and oceans with fresh considerations of leading figures such as Hobbes Locke Burke and Bentham in the history of international thought The culmination of more than a decade s reflection and research on these issues this book restores the often overlooked international dimensions to intellectual history and recovers the intellectual dimensions of international history **Empire of Eloquence** Stuart M. McManus, 2024-05-23 The global

reach of the Spanish and Portuguese empires prompted a remarkable flourishing of the classical rhetorical tradition in various parts of the early modern world *Empire of Eloquence* is the first study to examine this tradition as part of a wider global renaissance in Europe the Americas Asia and Africa with a particular focus on the Iberian world Spanning the sixteenth to the early nineteenth centuries the book argues that the classical rhetorical tradition contributed to the ideological coherence and equilibrium of this early modern Iberian world providing important occasions for persuasion legitimisation and eventual and perhaps inevitable confrontation Drawing on archival collections in thirteen countries Stuart M McManus places these developments in the context of civic religious and institutional rituals attended by the multi ethnic population of the Iberian world and beyond and shows how they influenced public speaking in non European languages such as Konkani and Chinese *The Declaration of Independence* David Armitage, 2007-01-15 Not only did the Declaration announce the entry of the United States onto the world stage it became the model for other countries to follow This unique global perspective demonstrates the singular role of the United States document as a founding statement of our modern

world **A Turn to Empire** Jennifer Pitts, 2005 By the mid nineteenth century the most prominent British and French liberal thinkers vigorously supported the conquest of non European people This work explains that this reflected a rise in civilizational self confidence as theories of human progress became more triumphalist less nuanced and less tolerant of cultural difference **Owning Ideas** Oren Bracha, 2016-12 This book examines the development of the concept of intellectual property in the United States during the nineteenth century **The History Manifesto** Jo Guldi, David Armitage, 2014-10-02 How should historians speak truth to power and why does it matter Why is five hundred years better than five months or five years as a planning horizon And why is history especially long term history so essential to understanding the multiple pasts which gave rise to our conflicted present The History Manifesto is a call to arms to historians and everyone interested in the role of history in contemporary society Leading historians Jo Guldi and David Armitage identify a recent shift back to longer term narratives following many decades of increasing specialisation which they argue is vital for the future of historical scholarship and how it is communicated This provocative and thoughtful book makes an important intervention in the debate about the role of history and the humanities in a digital age It will provoke discussion among policymakers activists and entrepreneurs as well as ordinary listeners viewers readers students and teachers This title is also available as Open Access *Making the British empire, 1660-1800* Jason Peacey, 2020-06-24 This collection offers a timely reappraisal of the origins and nature of the first British empire in response to the cultural turn in historical scholarship and the new imperial history It addresses topics that have been neglected in recent literature providing a series of political and institutional perspective at the same time it recognises the importance of developments across the empire not least in terms of how they affected imperial policy and its implementation It analyses a range of contemporary debates and ideas political and intellectual as well as religious and administrative relating to political economy legal geography and sovereignty as well as the messy realities of the imperial project including the costs and losses of empire collectively and individually **Theories of Empire, 1450-1800** David Armitage, 1998 Collection of 15 essays originally published 1949 1995 **Revolution Against Empire** Justin du Rivage, 2017-06-27 A bold transatlantic history of American independence revealing that 1776 was about far more than taxation without representation Revolution Against Empire sets the story of American independence within a long and fierce clash over the political and economic future of the British Empire Justin du Rivage traces this decades long debate which pitted neighbors and countrymen against one another from the War of Austrian Succession to the end of the American Revolution As people from Boston to Bengal grappled with the growing burdens of imperial rivalry and fantastically expensive warfare some argued that austerity and new colonial revenue were urgently needed to rescue Britain from unsustainable taxes and debts Others insisted that Britain ought to treat its colonies as relative equals and promote their prosperity Drawing from archival research in the United States Britain and France this book shows how disputes over taxation public debt and inequality sparked the American Revolution and reshaped

the British Empire *The Ideological Origins of the British Empire* David Armitage, 2000 David Armitage makes an outstanding contribution with this history of British conceptions of empire from the 1540s to the 1740s He sheds new light on major British political thinkers and the relationship between Protestantism and empire theories of property liberty and political economy and the emergence of the British identity Winner of the History Today Book of the Year prize for 2000

The Age of Revolutions in Global Context, C. 1760-1840 David Armitage, Sanjay Subrahmanyam, 2010 Distinguished historians provide uniquely broad coverage of the dynamics of global and regional change in the late eighteenth and nineteenth centuries Sheds new light on the American French and Haitian revolutions alongside ground breaking treatments of Africa's place in world history and Asia's age of revolutions Provided by publisher **Crucible of War** Fred Anderson, 2007-12-18 In this engrossing narrative of the great military conflagration of the mid eighteenth century Fred Anderson transports us into the maelstrom of international rivalries With the Seven Years War Great Britain decisively eliminated French power north of the Caribbean and in the process destroyed an American diplomatic system in which Native Americans had long played a central balancing role permanently changing the political and cultural landscape of North America Anderson skillfully reveals the clash of inherited perceptions the war created when it gave thousands of American colonists their first experience of real Englishmen and introduced them to the British cultural and class system We see colonists who assumed that they were partners in the empire encountering British officers who regarded them as subordinates and who treated them accordingly This laid the groundwork in shared experience for a common view of the world of the empire and of the men who had once been their masters Thus Anderson shows the war taught George Washington and other provincials profound emotional lessons as well as giving them practical instruction in how to be soldiers Depicting the subsequent British efforts to reform the empire and American resistance the riots of the Stamp Act crisis and the nearly simultaneous pan Indian insurrection called Pontiac's Rebellion as postwar developments rather than as an anticipation of the national independence that no one knew lay ahead or even desired Anderson re-creates the perspectives through which contemporaries saw events unfold while they tried to preserve imperial relationships Interweaving stories of kings and imperial officers with those of Indians traders and the diverse colonial peoples Anderson brings alive a chapter of our history that was shaped as much by individual choices and actions as by social economic and political forces *Unfinished Empire* John Darwin, 2012 The enormous influence of the British Empire cannot be escaped It has shaped the world in countless ways repopulating continents carving out nations imposing its language technology and values For perhaps two centuries its existence expansion and final collapse could be seen as the single largest determinant of historical events Now that it has gone it seems to us baffling that such a strange global system could have once been so powerful What was the dynamic that led English speakers to stand on the shores of the Pacific to control the world's seaways and create the financial institutions that transformed the global economy John Darwin's provocative and richly enjoyable new

book is an attempt to make us see anew how diverse unpredictable and even chaotic the British Empire really was controlled by interests that were often at loggerheads and as much driven on by the weakness of others as by its own strength

Unfinished Empire explains what allowed the makers of Empire to be so sure of their right to claim North America New Zealand or the African savannah to be the greatest slave traders but the first to abolish the trade to use astonishing violence against their opponents but also claim to uphold the rule of law By exploring the varying patterns of conquest the ferocious rebellions the urge to convert as well as to rule the quarrels and conflicts between missionaries farmers and merchants and the sudden descent towards the Empire's final collapse Unfinished Empire presents a surprising original and often critical account of an extraordinary phenomenon

The Scandal of Empire Nicholas B. Dirks, 2006-04-24 Many have told of the East India Company's extraordinary excesses in eighteenth century India of the plunder that made its directors fabulously wealthy and able to buy British land and titles but this is only a fraction of the story When one of these men Warren Hastings was put on trial by Edmund Burke it brought the Company's exploits to the attention of the public Through the trial and after the British government transformed public understanding of the Company's corrupt actions by creating an image of a vulnerable India that needed British assistance Intrusive behavior was recast as a civilizing mission In this fascinating and devastating account of the scandal that laid the foundation of the British Empire Nicholas Dirks explains how this substitution of imperial authority for Company rule helped erase the dirty origins of empire and justify the British presence in India The Scandal of Empire reveals that the conquests and exploitations of the East India Company were critical to England's development in the eighteenth century and beyond We see how mercantile trade was inextricably linked with imperial venture and scandalous excess and how these three things provided the ideological basis for far flung British expansion In this powerfully written and trenchant critique Dirks shows how the empire projected its own scandalous behavior onto India itself By returning to the moment when the scandal of empire became acceptable we gain a new understanding of the modern culture of the colonizer and the colonized and the manifold implications for Britain India and the world

The New Punitiveness John Pratt, David Brown, Mark Brown, Simon Hallsworth, Wayne Morrison, 2013-06-17 Throughout much of the western world more and more people are being sent to prison one of a number of changes inspired by a new punitiveness in penal and political affairs This book seeks to understand these developments bringing together leading authorities in the field to provide a wide ranging analysis of new penal trends compare the development of differing patterns of punishment across different types of societies and to provide a range of theoretical analyses and commentaries to help understand their significance As well as increases in imprisonment this book is also concerned to address a number of other aspects of the new punitiveness firstly the return of a number of forms of punishment previously thought extinct or inappropriate such as the return of shaming punishments and chain gangs in parts of the USA and secondly the increasing public involvement in penal affairs and penal development for example in relation to length of sentences and the California Three Strikes Law and

a growing accreditation of the rights of victims The book will be essential reading for students seeking to understand trends and theories of punishment on law criminology penology and other courses **The Royalist Revolution** Eric

Nelson,2014-10-06 The founding fathers were rebels against the British Parliament Eric Nelson argues not the Crown As a result of their labors the 1787 Constitution assigned its new president far more power than any British monarch had wielded for 100 years On one side of the Atlantic were kings without monarchy on the other monarchy without kings Envisioning an English Empire Robert Appelbaum,John Wood Sweet,2012-05-23 Envisioning an English Empire brings together leading historians and literary scholars to reframe our understanding of the history of Jamestown and the literature of empire that emerged from it The founding of an English colony at Jamestown in 1607 was no isolated incident It was one event among many in the long development of the North Atlantic world Ireland Spain Morocco West Africa Turkey and the Native federations of North America all played a role alongside the Virginia Company in London and English settlers on the ground English proponents of empire responded as much to fears of Spanish ambitions fantasies about discovering gold and dreams of easily dominating the region s Natives as they did to the grim lessons of earlier failed outposts in North America Developments in trade and technology in diplomatic relations and ideology in agricultural practices and property relations were as crucial as the self consciously combative adventurers who initially set sail for the Chesapeake The collection begins by exploring the initial encounters between the Jamestown settlers and the Powhatan Indians and the relations of both these groups with London It goes on to examine the international context that defined English colonialism in this period relations with Spain the Turks North Africa and Ireland Finally it turns to the ways both settlers and Natives were transformed over the course of the seventeenth century considering conflicts and exchanges over food property slavery and colonial identity What results is a multifaceted view of the history of Jamestown up to the time of Bacon s Rebellion and its aftermath The writings of Captain John Smith the experience of Powhatans in London the letters home of a disappointed indentured servant the Moroccans Turks and Indians of the English stage the ethnographic texts of early explorers and many other phenomena all come into focus as examples of the envisioning of a nascent empire and the Atlantic world in which it found a hold

The Early English Caribbean, 1570-1700 Vol 1 Carla Gardina Pestana,Sharon V Salinger,2021-12-16 This four volume collection brings together rare pamphlets from the formative years of the English involvement in the Caribbean Texts presented in the volumes cover the first impressions of the region imperial rivalries between European traders and settlers and the experience of day to day life in the colonies Volume 1 Conceptualizing the West Indies The texts in this volume chart the growth of English interest in the West Indies as seen through the publications of the time Beginning with the Spanish discovery and colonization there followed reports of Spanish cruelty Gradually the English started to make incursions into the area and this new era of colonization is reflected in the sources Later publications document the landscape of the islands the native inhabitants and the other settlers who began to arrive **The Enlightenment's Fable** E. J. Hundert,1994-06-16

The apprehension of society as an aggregation of self interested individuals connected only by bonds of envy competition and exploitation is a dominant modern concern but one first systematically articulated during the European Enlightenment The Enlightenment s Fable approaches this problem from the perspective of the challenge offered to inherited traditions of morality and social understanding by the Anglo Dutch physician satirist and philosopher Bernard Mandeville Mandeville s infamous paradoxical maxim private vices public benefits profoundly disturbed his contemporaries while his Fable of the Bees had a decisive influence on David Hume Jean Jacques Rousseau Adam Smith and Immanuel Kant Professor Hundert examines the sources and strategies of Mandeville s science of human nature and the role of his ideas in shaping eighteenth century economic social and moral theories

The Ideological Origins Of The British Empire Ideas In Context Introduction

The Ideological Origins Of The British Empire Ideas In Context Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Ideological Origins Of The British Empire Ideas In Context Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Ideological Origins Of The British Empire Ideas In Context : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Ideological Origins Of The British Empire Ideas In Context : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Ideological Origins Of The British Empire Ideas In Context Offers a diverse range of free eBooks across various genres. The Ideological Origins Of The British Empire Ideas In Context Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Ideological Origins Of The British Empire Ideas In Context Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Ideological Origins Of The British Empire Ideas In Context, especially related to The Ideological Origins Of The British Empire Ideas In Context, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Ideological Origins Of The British Empire Ideas In Context, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Ideological Origins Of The British Empire Ideas In Context books or magazines might include. Look for these in online stores or libraries. Remember that while The Ideological Origins Of The British Empire Ideas In Context, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Ideological Origins Of The British Empire Ideas In Context eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Ideological Origins Of The British Empire Ideas In Context full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Ideological Origins Of The British Empire Ideas In Context eBooks, including some popular titles.

FAQs About The Ideological Origins Of The British Empire Ideas In Context Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Ideological Origins Of The British Empire Ideas In Context is one of the best book in our library for free trial. We provide copy of The Ideological Origins Of The British Empire Ideas In Context in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Ideological Origins Of The British Empire Ideas In Context. Where to download The Ideological Origins Of The British Empire Ideas In Context online for free? Are you looking for The Ideological Origins Of The British Empire Ideas In Context PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Ideological Origins Of The British Empire Ideas In Context. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Ideological Origins Of The British Empire Ideas In Context are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Ideological Origins Of The British Empire Ideas In Context. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Ideological Origins Of The British Empire Ideas In Context To get started finding The Ideological Origins Of The British Empire Ideas In Context, you are right to find our website which has a comprehensive

collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Ideological Origins Of The British Empire Ideas In Context So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Ideological Origins Of The British Empire Ideas In Context. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Ideological Origins Of The British Empire Ideas In Context, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Ideological Origins Of The British Empire Ideas In Context is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Ideological Origins Of The British Empire Ideas In Context is universally compatible with any devices to read.
