**The Myth of Enlightenment** Karl Renz, 2005 Whether you meet Karl Renz in person or through this book the encounter will leave you with a radically different sense of yourself Karl's unique ability lies in exposing the beliefs we've built our lives on beginning with our root sense of

individuality Our current predicament is the result of believing ourselves to be something other than what we really are This self imposed limitation causes our incessant searching and suffering Throughout these dialogues Karl unceasingly brings us back to the truth of our real nature by helping us recognize the fleeting and impermanent nature of the self we ve come to believe in Even momentarily seeing the truth of who we really are immediately frees us if only temporarily from these self imposed limitations Karl s purpose if we can say he even has one is to reflect our own divinity which he skillfully and uncompromisingly expresses throughout the pages of this book By realizing the implication of his words we can live life to its fullest and experience the boundless freedom that is our essence The most detailed and authoritative text on the true meaning of the Taylors Masonic rituals The principal contents of this book are the Official Taylors Lectures on the Three Degrees of Craft Freemasonry These lectures deal with the description of the ritual of those Degrees along with their moral and symbolic significance and are of a formal nature arranged as catechisms that is by question and answer form The text can be studied at home or can be preformed by two or more brethren in open lodge Much evidence suggests that many sections of these lectures are as old as the degrees themselves This book adds much to ones enjoyment and understanding of Freemasonry The most detailed and authoritative text on the true meaning of the Taylors Masonic rituals The principal contents of this book are the Official Taylors Lectures on the Three Degrees of Craft Freemasonry These lectures deal with the description of the ritual

Why We Need Love Simon Van Booy,2010-09-14 Provocative and eye opening Why We Need Love is one of three slim selections of philosophical texts and excerpts along with Why We Fight and Why Our Decisions Don t Matter introduced and contextualized by acclaimed author Simon Van Booy Love Begins in Winter The Secret Lives of People in Love

The Illusion of Love David P. Celani,1994 Examines the attraction between abuser and victim which results in disorders and dangerous attractions on both sides considering the typical personalities involved in patterns of neglect

**The Illusion of Separateness** Simon Van Booy,2013-06-11 The uncanny beauty of Van Booy s prose and his ability to knife straight to the depths of a character s heart fill a reader with wonder San Francisco Chronicle Award winning author Simon Van Booy tells a harrowing and enchanting story of how one man s act of mercy during World War II changed the lives of strangers and how they each discover the astonishing truth of their connection The characters in Van Booy s The Illusion of Separateness discover at their darkest moments of fear and isolation that they are not alone that they were never alone that every human being is a link in a chain we cannot see This gripping novel inspired by true events tells the interwoven stories of a deformed German infantryman a lonely British film director a young blind museum curator two Jewish American newlyweds separated by war and a caretaker at a retirement home for actors in Santa Monica They move through the same world but fail to perceive their connections until through seemingly random acts of selflessness a veil is lifted to reveal the vital parts they have played in one another s lives and the illusion of their separateness

**Coincidence** J. W. Ironmonger,2014-02-18 Thirty years ago on the date in June known as Midsummer s Day a young girl is mysteriously

orphaned Now after a life of bizarre and troubling circumstances she becomes obsessed with the idea that she too will die on Midsummer s Day until she meets the one man who may be able to save her Azalea Lewis s life has been dominated by coincidences a bizarre and increasingly troubling series of chance events so perfectly coordinated that any sane person would conclude that only the hidden hand of providence could explain them On Midsummer s Day 1982 at the age of three Azalea was found wandering a fairground in England alone too young to explain what had happened to her or her parents After a brief investigation she was declared a ward of the court and placed in foster care The following year the body of a woman her mother was found on a nearby beach but by then everyone had forgotten about the little girl and no connection was ever made The couple who adopted Azalea brought her to Africa where on Midsummer s Day 1992 they were killed in a Ugandan uprising while trying to protect their children Azalea is spared on that day but as she grows into adulthood she discovers that her life has been shaped by an uncanny set of coincidences all of them leading back to her birth mother a single mother on the Isle of Man and the three men who could have been her father each of whom has played an improbable but very real role in her fate Troubled by what she has uncovered and increasingly convinced that she too will meet her fate on Midsummer s Day she approaches Thomas Post a rational minded academic whose specialty is debunking our belief in coincidence the belief that certain events are linked even predestined by the hands of fate Even as they fall in love Thomas tries to help to understand her past as a series of random events not a divinely predetermined order Yet as the fateful date draws closer Thomas begins to fear that he may lose her altogether and she may throw herself into the very fate she fears A warm and romantic yet intellectually fascinating story of two souls trying to make sense of the universe and our place in it Just Coincidence is an unforgettable novel by a storyteller of masterful gifts *Ocean, Desert* Renate Aller, Janet Dees, 2014

Aller captures the infinitely shifting colors and textures of water sand and sky This new project by German born photographer Renate Aller is an extension of the ongoing series and book *Oceanscapes* 2010 Aller has continued to make images of the ocean from a single vantage point for which she is internationally known but for the last several years she has also photographed sand dunes in New Mexico and Colorado She has now paired the resulting images in a fascinating new series that continues her investigation into the relationship between romanticism memory and landscape in the context of our current sociopolitical awareness There is both a visual and visceral relationship between the two bodies of work The desert images also capture visitors to the dunes who engage in beach activities far away from any large body of water And while these parallel realities are from completely different locations the simultaneous multiple activities on the sloping sand hills appears as if layers of different people and activities were choreographed next to rolling waves of the sea Aller s first combination of these images was in book form for a mammoth handmade book that was 36 inches wide The overwhelming success of that publication has inspired this new trade edition which features the largest binding that can be mechanically bound and includes an expanded selection of the work Born in Germany Renate Aller lives and works in New York *Ocean and*

Desert is her third monograph published with Radius Books following Dicotyledon and the long term project Oceanscapes One View Ten Years Pieces from that series and other site specific artworks are in the collections of corporate institutions private collectors and museums including the Lannan Foundation Santa Fe the Corcoran Gallery of Art Washington D C Yale University Art Gallery Connecticut the George Eastman House Rochester New Britain Museum of American Art Hamburger Kunsthalle and the Chazen Museum of Art Madison

**The Illusion of Separateness** Simon Van Booy, 2013-07-25 In The Illusion of Separateness award winning author Simon Van Booy tells the haunting and luminous story of how one man's act of mercy on a World War II battlefield changes the lives of six strangers across time and place From wartime Britain and Nazi occupied France to modern day Los Angeles the characters of this gripping novel inspired by true events include a child on the brink of starvation a blind museum curator looking for love a German infantryman and a humble caretaker at a retirement home in Santa Monica Whether they are pursued by old age shame disease or regret these incandescent characters remain unaware of their connection until seemingly random acts of selflessness lift a veil to reveal the vital parts they play in each other's lives

**Constructing Coherence in the British Short Story Cycle** Patrick Gill, Florian Kläger, 2018-05-11 The first major collection of essays on the contemporary British short story cycle this volume offers in depth explorations of the genre by comparing its strategies for creating coherence with those of the novel and the short story collection inquiring after the ties that bind individual short stories into a cycle A section on theory approaches the form from the point of view of genre theory cognitive literary studies and book studies It is followed by investigations of hitherto neglected aspects of the generic tradition of the British short story cycle and how they relate to the contemporary outlook of the form Readings of individual contemporary cycles illustrating the form's multifaceted uses from the presentation of sexual identities to politics and trauma make up the third and most substantial part of the volume placing its focus squarely on the past decades Unique in its combination of a focus on the literary traditions politics and markets of the UK with a thorough examination of the genre's manifold formal and thematic potentials the volume explores what is at the heart of the short story cycle as a literary form the constant negotiation between unity and separateness collective and individual of coherence and autonomy

**Fiction, Intuition, & Creativity** Angela Hague, 2003 This is a search for the origins of fiction and for an understanding of how these origins influence the finished work of art The text examines the connection between the creative process and fictional form by discussing intuitive consciousness

**Late Work** Joan Frank, 2022-10-15 Curious ruminative and wry this literary autobiography tours what Rachel Kushner called the strange remove that is the life of the writer Frank's essays cover a vast spectrum from handling dismissive advice facing the dilemma of thwarted ambition and copying the generosity that inspires us to the miraculous catharsis of letter writing and some of the books that pull us through Useful for writers at any stage of development Late Work offers a seasoned artist's thinking through the exploration of issues paradoxes and crises of faith Like a lively conversation with a close outspoken friend each piece tells its experience from the trenches
