Solitary Albert Woodfox, 2019-03-12 An uncommonly powerful memoir about four decades in confinement A profound book about friendship and solitary confinement in the United States New York Times Finalist for the Pulitzer Prize and the National Book Award Solitary is the unforgettable life story of a man who served more than four decades in solitary confinement in a 6 foot by 9 foot cell twenty three hours a day in Louisiana's notorious Angola prison all for a crime he did not commit That Albert Woodfox survived at all was a feat of extraordinary endurance That he emerged whole from his odyssey within America's prison and judicial systems is a triumph of the human spirit While behind bars in his early twenties Albert was inspired to join the Black Panther Party because of its social commitment and code of living He was serving a fifty year sentence in Angola for armed robbery when on April 17 1972 a white guard was killed Albert and another member of the Panthers were accused of the crime and immediately put in solitary confinement Without a shred of evidence against them their trial was a sham of justice Decades passed before Albert was finally released in February 2016 Sustained by the solidarity of two fellow Panthers Albert turned his anger into activism
