hurts The Dynamic Heart in Daily Life provides a comprehensive view of how the heart works and how Christ redeems it Pierre's faith centered understanding of people combines with a Word centered methodology to give readers a practical way to help others better understand their tough experiences and who they are in light of who Jesus is Pierre guides readers through four key activities reading reflecting relating and renewing that will consistently position them to understand everyday human experiences in light of Scripture Pierre exposes the false dichotomy between the spiritual and seemingly unspiritual parts of the human experience showing how every thought feeling and choice actually expresses the spiritual activity of the heart He shows how faith in Christ is the means by which the heart begins to respond differently Faith is not only the entry point for heart change but also an expression of our everyday ongoing need for Christ Pierre's holistic view of counseling forged by his experiences as a counselor pastor and seminary professor equips readers to understand how everyday beliefs desires and commitments shape how we respond to life s biggest struggles and how an active relationship of trust in God is the foundation for lifelong change Stories of Therapy, Stories of Faith Lex McMillan, Sarah Penwarden, Siobhan Hunt, 2017-03-28 Stories of Therapy Stories of Faith is a collection of stories from therapists who have amplified the theology already present in their work In particular these authors a group of counseling practitioners and educators bring forward a dialogue between their practices and a social Trinitarian theology that emphasizes the relational nature of God and humans The resulting stories of practice give voice to the ethical hope that counseling practice is participation in the redemptive story of the Gospel The authors write about their motivations for practice in initiatives as diverse as parenting trauma work opposing bullying in schools reengaging orphaned African children with their heritage providing hospitality for difference and counselor education Stories of Therapy Stories of Faith will be of interest to counselors and counselor educators particularly those drawn to developing their ethical and theological commitments within their therapeutic practices
