The Innkeeper Of Bethlehem The Story Of Santa Claus:

Crump, 2022-12-22 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2 000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries

detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume *The Cumulative Book Index* ,1914 **John O'London's** ,1960 **About Christmas** Nicolae Sfetcu,2014-05-01 Christmas characters and food Christmas linked holidays and music Santa Claus and traditions Related to Annunciation Incarnation Crucifixion Advent the four weeks preceding Christmas and the period between the day after Thanksgiving and the Sunday after New Year s Day the American holiday season Christmas or Christmas Day is a holiday celebrating the birth of Jesus the central figure of Christianity Aspects of celebration may include gift giving Christmas trees display of Nativity sets church attendance the Father Christmas Santa Claus myth and family gatherings Users of the Gregorian calendar observe the holiday on December 25 Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar which currently corresponds to January 7 on the Gregorian calendar These dates are merely traditional the great majority of scholars agree that the actual birthdate of Jesus is unknown In Western culture the holiday is characterized by the exchange of gifts among friends and family members some of the gifts being attributed to Santa Claus also known as Father Christmas Saint Nicholas Saint Basil and Father Frost However various local and regional Christmas traditions are still practiced despite the widespread influence of American British and Australian Christmas motifs disseminated by film popular literature television and other media *Primary Education* ,1905 **Mystery of the Magi** Dwight Longenecker,2017-11-06 The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth Robert J Hutchinson author of The Politically Incorrect Guide to the Bible The Dawn of Christianity and Searching for Jesus Utterly refreshing and encouraging Eric Metaxas New York Times bestselling author of Bonhoeffer Pastor Martyr Prophet Spy and Martin Luther The best book I know about the Magi Sir Colin John Humphreys Ph D author of The Mystery of the Last Supper Modern biblical scholars tend to dismiss the Christmas story of the wise men from the East as pious legend Matthew s gospel offers few details but imaginative Christians filled out the story early on giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas cr che For many scholars then there is no reason to take the gospel story seriously But are they right Are the wise men no more than a poetic fancy In an astonishing feat of detective work Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened Piecing together the evidence from biblical studies history archeology and astronomy he goes further uncovering where they came from why they came and what might have happened to them after eluding the murderous King Herod In the process he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world The evidence is clear and compelling The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of

the Nabatean king at Petra where the Hebrew messianic prophecies were well known The star that inspired their journey was a particular planetary alignment confirmed by computer models that in the astrological lore of the time portended the birth of a Jewish king The visitors whose arrival troubled Herod and all Jerusalem with him may not have been the turbaned oriental kings of the Christmas carol but they were real and by demonstrating that the wise men were no fairy tale Mystery of the Magi demands a new level of respect for the historical claims of the gospel **Joy of Christmas Gr. 2** Ruth Solski,
