Equally Wed Kirsten Palladino, 2017-05-30 By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. Kirsten Palladino will fill that need with this definitive book to inspire couples everywhere who are seeking a meaningful personal ceremony and a momentous beginning to legally married life. Equally Wed brings author Palladino's expertise as the founder and editorial director of the world's leading online resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, Equally Wed has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds and shares her invaluable insider tips for making the most of each vendor. She also addresses fashion advice specific for LGBTQ readers, such as suiting up as a nonbinary, nearlywed, or attending fittings as a butch lesbian or a transgender woman.
