The History Of Latin America Collision Of Cultures Palgrave Essential Histories:

The History of Latin America Marshall C. Eakin, 2007-06-12 Publisher description

The Human Tradition in Colonial Latin America Kenneth J. Andrien, 2002 The Human Tradition in Colonial Latin America is an anthology of life stories of largely ordinary individuals struggling to forge a life during the unstable colonial period in Latin America These mini biographies show the tensions that emerged when

The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

Early Latin America James Lockhart, Stuart B. Schwartz, 1983-09-30 A brief general history of Latin America in the period between the European conquest and the independence of the Spanish American countries and Brazil serves as an introduction to this quickly changing field of study

The History of Venezuela H. Micheal Tarver, Julia C. Frederick, 2006-11-28 With an upcoming election Ch vez s involvement with U S oil exports and the country becoming a leader of an increasingly united South America this volume provides necessary background information to understand how Venezuela became what it is today The history begins with Columbus s third voyage of discovery from Spain Spanish explorers named the land Little Venice for the native homes built on stilts at the water s edge Tracing the nation s 300 years as a Spanish colony through a brief unification followed by civil war Tarver brings Venezuela s dramatic history to life Highlighting events including the discovery of oil in the 1900s and the establishment of democratic government in 1958 Tarver offers a comprehensive chronicle that contextualizes the current unrest under the leadership of Hugo Ch vez

The History of Cuba Clifford L. Staten, 2005-09 A narrative history of Cuba from prehistoric times to the present

A People's History of Latin America Hernán Horna, 2014-02 Original title A history of Latin America

A History of Modern Latin America Lawrence A. Clayton, Michael L. Conniff, 1999 Written specifically for students unfamiliar with Latin American history this comprehensive narrative introduction spans from the early nineteenth century to the end of the twentieth century The authors present main theories and analyses of the area s history expertly weaving biographical sketches into the narrative Action introductions begin each chapter offering short glimpses into moments in history and setting the theme for the chapter to follow Maps images bibliographies discussion questions and other pedagogical elements are strategically placed throughout to help students move beyond the introductory level and engage in research assignments papers and so on

Born in Blood and Fire John Charles Chasteen, 2016 The companion reader to the most readable highly regarded and affordable history of Latin America for our times

What Is Global History? Sebastian Conrad, 2016-01-12 The first comprehensive overview of the innovative new discipline of global history Until very recently historians have looked at the past with the tools of the nineteenth century But globalization has fundamentally altered our ways of knowing and it is no longer possible to study nations in isolation or to understand world history as emanating from the West This book reveals why the discipline of global history has emerged as the most dynamic and innovative field in history one that takes the connectedness of the world as its point of departure and

that poses a fundamental challenge to the premises and methods of history as we know it What Is Global History provides a comprehensive overview of this exciting new approach to history The book addresses some of the biggest questions the discipline will face in the twenty first century How does global history differ from other interpretations of world history How do we write a global history that is not Eurocentric yet does not fall into the trap of creating new centrism How can historians compare different societies and establish compatibility across space What are the politics of global history This in depth and accessible book also explores the limits of the new paradigm and even its dangers the question of whom global history should be written for and much more Written by a leading expert in the field What Is Global History shows how by understanding the world s past as an integrated whole historians can remap the terrain of their discipline for our globalized present

Resilient Cultures John Kicza, Rebecca Horn, 2016-11-03 This book provides a comparative perspective of the impact of early European colonization on the native peoples of the Americas It covers the character of the indigenous cultures before contact and then addresses the impact of and creative ways in which they adapted to the establishment of colonies by the Spanish Portuguese French Dutch and English Key topics Paying attention to environmental change the book considers such issues as the nature of military conflicts the cultural and material contributions of each side to the other the importance of economic exchanges and the demographic transformation Market For individuals interested in the history of colonial America colonial Latin America and the American Indian
