Ladelle McWhorter

The History Of Sexuality Vol 2 The Use Of Pleasure:

The History of Sexuality, Vol. 2 Michel Foucault, 2012-04-18 In this sequel to *The History of Sexuality Volume I* An Introduction the brilliantly original French thinker who died in 1984 gives an analysis of how the ancient Greeks perceived sexuality Throughout *The Use of Pleasure* Foucault analyzes an irresistible array of ancient Greek texts on eroticism as he tries to answer basic questions How in the West did sexual experience become a moral issue And why were other appetites of the body such as hunger and collective concerns such as civic duty not subjected to the numberless rules and regulations and judgments that have defined if not confined sexual behavior Bodies and Pleasures Ladelle McWhorter, 1999-07-22 Sexual identities are dangerous Michel Foucault tells us Here Ladelle McWhorter reads Foucault from an original and personal angle and takes the reader beyond unexplored norms and imposed identities as she points the way toward a personal politics ethics and style that challenge our sexual selves Copyright Libri GmbH All rights reserved **The Routledge Guidebook to Foucault's The History of Sexuality** Chloe Taylor, 2016-11-03 Michel Foucault's *The History of Sexuality* is one of the most influential philosophical works of the twentieth century and has been instrumental in shaping the study of Gender Feminist Theory and Queer Theory But Foucault's writing can be a difficult book to grasp as Foucault assumes a familiarity with the intellectually dominant theories of his time which renders many passages obscure for newcomers to his work *The Routledge Guidebook to Foucault's The History of Sexuality* offers a clear and comprehensive guide to this groundbreaking work examining The historical context in which Foucault wrote A critical discussion of the text which examines the relationship between *The History of Sexuality The Use of Pleasure* and *The Care of The Self* The reception and ongoing influence of *The History of Sexuality* Offering a close reading of the text this is essential reading for anyone studying this enormously influential work **Power/Knowledge** Michel Foucault, 1980-11-12 Michel Foucault has become famous for a series of books that have permanently altered our understanding of many institutions of Western society He analyzed mental institutions in the remarkable *Madness and Civilization* hospitals in *The Birth of the Clinic* prisons in *Discipline and Punish* and schools and families in *The History of Sexuality* But the general reader as well as the specialist is apt to miss the consistent purposes that lay behind these difficult individual studies thus losing sight of the broad social vision and political aims that unified them Now in this superb set of essays and interviews Foucault has provided a much needed guide to Foucault These pieces ranging over the entire spectrum of his concerns enabled Foucault in his most intimate and accessible voice to interpret the conclusions of his research in each area and to demonstrate the contribution of each to the magnificent and terrifying portrait of society that he was patiently compiling For as Foucault shows what he was always describing was the nature of power in society not the conventional treatment of power that concentrates on powerful individuals and repressive institutions but the much more pervasive and insidious mechanisms by which power reaches into the very grain of individuals touches their bodies and inserts itself into their actions and attitudes their discourses learning processes and

everyday lives Foucault's investigations of prisons schools barracks hospitals factories cities lodgings families and other organized forms of social life are each a segment of one of the most astonishing intellectual enterprises of all time and as this book proves one which possesses profound implications for understanding the social control of our bodies and our minds

Sexuality Michel Foucault, 2021-07-13 Michel Foucault's *The History of Sexuality* the first volume of which was published in 1976 exerts a vast influence across the humanities and social sciences However Foucault's interest in the history of sexuality began as early as the 1960s when he taught two courses on the subject These lectures offer crucial insight into the development of Foucault's thought yet have remained unpublished until recently This book presents Foucault's lectures on sexuality for the first time in English In the first series held at the University of Clermont Ferrand in 1964 Foucault asks how sexuality comes to be constituted as a scientific body of knowledge within Western culture and why it derived from the analysis of perversions morbidity homosexuality fetishism The subsequent course held at the experimental university at Vincennes in 1969 shows how Foucault's theories were reoriented by the events of May 1968 he refocuses on the regulatory nature of the discourse of sexuality and how it serves economic social and political ends Examining creators of political and literary utopias in the nineteenth and twentieth centuries from Sade to Fourier to Marcuse who attempted to integrate natural sexualities including transgressive forms into social and economic life Foucault elaborates a double critique of the naturalization and the liberation of sexuality Together the lectures span a range of interests from abnormality to heterotopias to ideology and they offer an unprecedented glimpse into the evolution of Foucault's transformative thinking on sexuality

Amatory Pleasures Julie Peakman, 2016-10-06 Encompassing the long 18th century *Amatory Pleasures* examines a broad and enticing variety of topics in the history of sexuality in Georgian times It includes discussion of sexual perversion criminal conversation erotic gardens gentlemen's homosocial societies flagellation pornography writings of courtesans and the world of female friendship revealing the secret or hidden meanings circulating between mainstream and covert activities of the 18th century Julie Peakman draws connections between these pieces and situates them within current debates and examines how Georgian sexual activity was integrated from low life and high places from brothels to palaces Aimed at anyone interested in gender history of sexuality sex literature and 18th century history *Amatory Pleasures* is an invaluable collection of the work of a key scholar in the field

Sites of Desire/Economies of Pleasure Lenore Manderson, Margaret Jolly, 1997-08-18 List of Illustrations Preface Introduction Sites of Desire Economies of Pleasure in Asia and the Pacific Lenore Manderson Margaret Jolly Ch 1 Educating Desire in Colonial Southeast Asia Foucault Freud and Imperial Sexualities Ann Staler Ch 2 Contested Images and Common Strategies Early Colonial Sexual Politics in the Massim Adam Reed Ch 3 Gaze and Grasp Plantations Desires Indentured Indians and Colonial Law in Fiji John D Kelly Ch 4 From Point Venus to Bali Ha'i Eroticism and Exoticism in Representations of the Pacific Margaret Jolly Ch 5 Parables of Imperialism and Fantasies of the Exotic Western Representations and Thailand Place and Sex Lenore Manderson Ch 6 Primal Dream Masculinism Sin and

Salvation in Thailand's Sex Trade Annette Hamilton Ch 7 Kathoey Copyright Libri GmbH All rights reserved **Psychiatric Power** M. Foucault, 2006-04-04 In this new addition to the Collège de France Lecture Series Michel Foucault explores the birth of psychiatry examining Western society's division of mad and sane and how medicine and law influenced these attitudes This seminal new work by a leading thinker of the modern age opens new vistas within historical and philosophical study Foucault and the Kamasutra Sanjay K. Gautam, 2016-06-22 Gautam has here laid out the first serious reading of Michel Foucault in relation to key Sanskrit texts and what may be a surprise to many he has written the first book length work in English on the nature and origin of the Kamasutra Gautam also takes up the Natyasastra the Kamasutra's twin locating in the first the themes of sexual erotic pleasure and locating in the second the classical Indian view of theater music dance and aesthetic pleasure The book shows how closely intertwined the history of erotics in ancient Indian culture is with the history of theater aesthetics Foucault provides a framework for opening up the intellectual horizon of Indian thought it is his distinction between *ars erotica* erotic arts and *scientia sexualis* science of sexuality that fuels Gautam's exploration of the courtesan as symbol of both erotic and aesthetic pleasure particularly in her role as a wife to her patron which entails the morphing of erotics into a form of theater The scope broadens ambitiously to an inquiry on the nature of knowledge formation erotics theater and gender relations in premodern Indian society and culture as they converged on the historical figures of the courtesan and her male counterpart the dandy Gautam's twining of aims and subjects Foucault's western philosophy of pleasure and India's classic text on eros anchored in art and aesthetics transforms both the modern and the ancient texts with new understandings and as new forms of investigating erotics and subjectivity itself **Sophie's World** Jostein Gaarder, 1994 The protagonists are Sophie Amundsen a 14 year old girl and Alberto Knox her philosophy teacher The novel chronicles their metaphysical relationship as they study Western philosophy from its beginnings to the present A bestseller in Norway *Herculine Barbin* Michel Foucault, 1980-06-12 With an eye for the sensual bloom of young schoolgirls and the torrid style of the romantic novels of her day *Herculine Barbin* tells the story of her life as a hermaphrodite Herculine was designated female at birth A pious girl in a Catholic orphanage a bewildered adolescent enchanted by the ripening bodies of her classmates a passionate lover of another schoolmistress she is suddenly reclassified as a man Alone and desolate he commits suicide at the age of thirty in a miserable attic in Paris Here in an erotic diary is one lost voice from our sexual past Provocative articulate eerily prescient as she imagines her corpse under the probing instruments of scientists Herculine brings a disturbing perspective to our own notions of sexuality Michel Foucault who discovered these memoirs in the archives of the French Department of Public Hygiene presents them with the graphic medical descriptions of Herculine's body before and after her death In a striking contrast a painfully confused young person and the doctors who examine her try to sort out the nature of masculine and feminine at the dawn of the age of modern sexuality **The Birth of the Clinic** Michel Foucault, 2002-11 Towards the middle of the eighteenth century Pomme

treated and cured a hysteric by making her take baths ten or twelve hours a day for ten whole months At the end of this treatment for the desiccation of the nervous system and the heat that sustained it Pomme saw membranous tissues like pieces of damp parchment peel away with some slight discomfort and these were passed daily with the urine the right ureter also peeled away and came out whole in the same way The same thing occurred with the intestines which at another stage peeled off their internal tunics which we saw emerge from the

Feminism, Foucault, and Embodied Subjectivity Margaret A. McLaren, 2012-02-01 Addressing central questions in the debate about Foucault's usefulness for politics including his rejection of universal norms his conception of power and power knowledge his seemingly contradictory position on subjectivity and his resistance to using identity as a political category McLaren argues that Foucault employs a conception of embodied subjectivity that is well suited for feminism She applies Foucault's notion of practices of the self to contemporary feminist practices such as consciousness raising and autobiography and concludes that the connection between self transformation and social transformation that Foucault theorizes as the connection between subjectivity and institutional and social norms is crucial for contemporary feminist theory and politics

The Oxford Handbook of Screen Dance Studies Douglas Rosenberg, 2016-06-03 The Oxford Handbook of Screen Dance Studies offers a full overview of the histories practices and critical and theoretical foundations of the rapidly changing landscape of screen dance Drawing on their practices technologies theories and philosophies scholars from the fields of dance performance visual art cinema and media arts articulate the practice of screen dance as an interdisciplinary hybrid form that has yet to be correctly sited as an academic field worthy of critical investigation Each chapter discusses and reframes current issues as a means of promoting and enriching dialogue within the wider community of dance and the moving image Topics addressed embrace politics of the body agency race and gender in screen dance the relationship of choreography to image constructs of space and time representation and effacement production and curatorial practice and other areas of intersecting disciplines The Oxford Handbook of Screen Dance Studies features newly commissioned and original scholarship that will be essential reading for all those interested in the intersection of dance and the moving image including film and video makers dance artists screen dance artists academics and writers producers composers as well as the wider interested public It will become an invaluable resource for researchers and professionals in the field

Routledge Encyclopedia of Philosophy: Index Edward Craig, 1998 Volume seven of a ten volume set which provides full and detailed coverage of all aspects of philosophy including information on how philosophy is practiced in different countries who the most influential philosophers were and what the basic concepts are

Erotic Love in Sociology, Philosophy and Literature Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks

to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love The Oxford Handbook of Food Ethics Anne Barnhill, Tyler Doggett, Mark Budolfson, 2018-01-08 Academic food ethics incorporates work from philosophy but also anthropology economics the environmental sciences and other natural sciences geography law and sociology Scholars from these fields have been producing work for decades on the food system and on ethical social and policy issues connected to the food system Yet in the last several years there has been a notable increase in philosophical work on these issues work that draws on multiple literatures within practical ethics normative ethics and political philosophy This handbook provides a sample of that philosophical work across multiple areas of food ethics conventional agriculture and alternatives to it animals consumption food justice food politics food workers and food and identity
