s home for almost the first eleven years of her life That was long enough for the beautiful mountains to have built her The mountains are in her blood and will be who she is for the rest of her life In The House That Built Me Gosser shares the story of the journey that made her who she is today and brought her to this time and place In this memoir she narrates the history of her large poor family and how they found the love safety and comfort the Appalachian Mountains offered This family s story illustrates how survival and thriving are possible with the power of a strong mother hard work and most of all the power of God The House That Built Me harkens back to when times were simple but hard chronicling the story of a single mother raising twelve children with no income source in an extremely harsh environment Bad Girlz Shannon

Holmes,2007-11-01 The bestselling author of B More Careful Shannon Holmes delivers Bad Girlz another wild adventure into the streets The setting this time is the Badlands one of the toughest and poorest communities in Philadelphia Bad Girlz takes you into the mysterious and often dangerous lives of young women who turn to the streets and strip clubs as a means of survival These are girls who along the way suffer bad breaks and find themselves ripe for exploitation by men and women who pretend to be their saviors Tender and Goldie were taken under wing by Kat a veteran stripper who enjoyed the life and the risks she had to take to stay in the mix of the sex trade Both of these young and beautiful girls had ended up in dire

straits and in need of Kat's help in different ways but ultimately for the same reasons. They lacked the love and support that most of us expect to get at home and in our communities. Where they live, illegal money is often the only money to be made and the difference between the law and the outlaw is tough to discern. Holmes tells a page-turning story of sex, money, and murder in the name of survival and reveals the many ways that good girls trying to get by in desperate situations become Bad Girls.

Hustle Neil Patel, Patrick Vlaskovits, Jonas Koffler, 2016-09-13 A New York Times Los Angeles Times USA Today and IndieBound bestseller that Fortune says is a must read for any entrepreneur. The dynamic game-changing guide to finding success and fearlessly outsmarting the system. Too often we feel like underdogs fighting a system that stacks the odds against us. We work hard, follow the rules, and dream of a better life. But these days working harder doesn't always lead to fulfillment. In fact, according to Gallup research, nearly 90 percent of people feel disconnected from their jobs. So how do you break free from the drudgery and achieve more success on your own terms? You hustle. The secret lies in making manageable tweaks and placing small bets on pursuits that propel you from who you are today to the person you're destined to become. In *Hustle*, Neil Patel, Patrick Vlaskovits, and Jonas Koffler, three of the nation's top entrepreneurs and consultants, have teamed up to teach you how to look at work and life through a new lens: one based on discovering projects you enjoy and the people and opportunities that support your talents, growth, income, and happiness. The authors reveal their groundbreaking three-part framework of Heart, Head, and Habits. Along the way, you will learn to redefine hustle as the optimal path to success using powerful, often counterintuitive advice, including: Why you must own your dreams, not rent dreams from others; Ways to create your own luck and POP; How to betray yourself to stay true to yourself and develop your potential. The four major career hustles and the path that's best for you. More than just an inspirational career guide, *Hustle* aims to fundamentally transform the way you work and live and give yourself permission to thrive in today's uncertain world.

This collection of interviews with 50 successful immigrant entrepreneurs from all over the world provides proof that the American dream is not only alive and well but thriving. Furthermore, these stories show the great wealth, financial and cultural, that immigrants can offer the United States.
