**The Delineator** R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer, 1926

**Karl Kraus, Apocalyptic Satirist** Edward Timms, 1989-01-01 This is a fascinating study of the life and work of Karl Kraus, brilliant Austrian writer, satirist, and personality of fin de siècle Vienna. This encyclopaedic study of his life, his work, and his generation will be of great interest to both the enthusiast and the general student of European culture. Drawing on unfamiliar sources, Edward Timms analyses Kraus's involvement in the fundamental ideological issues of his time and shows that Kraus's political position, caught between traditional Habsburg loyalties and new democratic commitments, was far more complex than has previously been suspected. A major landmark in Kraus studies and an important contribution to our understanding of the culture of the early twentieth century. It abounds in discoveries and insights. *Times Higher Education Supplement*: Timm's lucid prose, his masterly organization of the voluminous material, his excellent translations of the documents he cites, and his broad, readable portrayal of Viennese fin de siècle culture makes this study accessible to the average reader and a pleasure for the literary professional. An example of German studies at its best. *European Studies Journal*: This study, which takes us to the end of the Great War, is unquestionably the most detailed and thoughtful book about him in any language. Edward Timms's account skilfully interweaves his life, times, and work. *The Listener*: Timms successfully weaves a colourful and thoroughly researched and documented account of essential cultural currents in Habsburg Vienna around his central figure. Copious illustrations and photographs enhance a most enjoyable text, making this an ideal introduction to Kraus and his work. *Choice*: Edward Timms is lecturer in German at the University of Cambridge and a fellow of Gonville and Caius College.
