prophet A marvelous gift on any holy day or for a child's confirmation this attractive informative volume gives us an inspiring portrait of one of the most complex figures in world history      *A History of the Bible* John Barton, 2019 In Western culture the Bible is monolithic John Barton argues that the Bible is not a prescription to a complete fixed religious system but rather a product of a long and intriguing process which has inspired Judaism and Christianity but still does not describe the whole of either religion He further argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording which is impossible to determine and focus instead on the broader meanings of scripture      *Revelation Illustrated* Pat Marvenko Smith, 2011-11 Artist Pat Marvenko Smith has created this series of full color artwork that brings to life all the major visions described in the prophetic last book of the New Testament Read the amazing story of how Pat was inspired to create the body of artwork titled *Revelation Illustrated* View all of Pat's illustrations in this series of artwork accompanied by the complete scripture text from the Book of Revelation You can read the scripture and see it at the same time through the eyes of an artist who was truly inspired by God to create this amazing series of art The purpose of this book is to serve as a companion supplement to any study on the Book of Revelation regardless of doctrinal or millennial viewpoint because it is quite simply the word of God in 42 full color pictures Publisher's description      *Baxter's Explore the Book* J. Sidlow Baxter, 2010-09-21 *Explore the Book* is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers *Explore the Book* is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation      *The Image of Christ* Gabriele Finaldi, Susanna Avery-Quash, 2000 *The Image of Christ* expresses the view that modern secular audiences can engage with the masterpieces of Christian art at an emotional as well as a purely aesthetic or historical level This book aims to help the viewer understand these pictures by focusing attention on the purpose for which they were made and explores what they might have meant to their original viewers The authors trace how a recognizable image of Christ evolved starting with the earliest symbols and metaphorical images such as the Shepherd the Lamb and the Vine They trace the emergence of a true likeness emphasizing the importance of the Veronica the miraculous portrait said to have been imprinted on the cloth held out to Jesus on the way to Calvary They describe how artists conveyed the paradox of Christ's dual nature human and divine weak and powerful victim and victor in portrayals of his infancy They also show how images of Christ's suffering during the Passion were intended to convey a cosmic not just a personal significance Artists have

attempted to put extremes of suffering and despair into an overall context of hope a vein of hope that runs from the catacombs to Hiroshima and beyond These are images that speak even to those who do not hold Christian beliefs Artists had to make it clear that in representing the life and death of Jesus they were offering a continuing truth we the spectators have to become eyewitnesses to an event that matters to us now As a result the different moments and aspects of Christ's life become in the hands of great artists a reflection of all human experience The Virgin nursing her son expresses the feelings of love every mother has for her child Christ mocked in innocence beset by violence Christ risen and appearing to Mary Magdalene is a universal reaffirmation that love cannot be destroyed by death Beyond their obvious religious significance these are paintings that have a universal meaning
