The Intergalactic Prince Series Part 1 3 Scifi Alien Romance:

The Alien Prince's Omega Colbie Dunbar, Lorelei M Hart, 2021-07-11 Sometimes when you can't find your mate it's because you haven't looked far enough Alpha Prince Kagin longs to find his ruling mate. He searches his planet Thulnara to no avail but he can feel him out there. As a last resort he breaks the laws of his kind and finds Idda, a soothsayer. She sees his mate but there is a problem. His mate is on Earth, a primitive planet once visited by his grandparents. Not that Kagin plans to let that stop him. Veterinarian omega Hanson loves his job, the animals he cares for, and his community at the ocean's shore. It's everything he's ever dreamed of until his dreams change. Night after night Hanson falls asleep to visions of himself holding a beautiful baby, his baby. Only the baby is blue, and when he wakes up each morning he mourns the loss. Until one night a woman appears and tells him not to worry, he is coming, and for the first time since he glimpsed the image of his child he feels hope. Hope he almost runs over with his car. Oops. The Alien Prince's Omega is the first book in the Close Encounters of the Mating Kind series by the popular co-writing duo of Lorelei M Hart and Colbie Dunbar. It is a sweet with knotty heat alien romance set in the world of Dates of Our Lives. The Alien Prince's Omega features an alien prince and future King of Thulnara who is longing for his true mate, a human vet who thinks the strangest beings out there are shifters. An intergalactic meeting of the in-laws, an extra long appendage that allows for double the fun, true fated mates, and an adorable baby. I left the Earth to get away from my controlling ex, and I refuse to fall into another man's arms, not even an amazingly masculine alien that awakens an uncontrollable attraction within me. Bask is the definition of alpha male and my opposite in every way. He comes from an alien species full of domineering males, and I'm not interested. I can't deny that I'm hot for him, but I'm not willing to be his submissive little female. When our ship crashes, he goes into protector mode. He thinks I'm a helpless human. I might not have the power to summon fire at my fingertips, but I'm not weak. We're trapped together, but I'm not going to submit to him, no matter how hot it is when we kiss. If he wants me as his mate, he'll have to accept the strong woman I've worked so hard to become. **Celestial Sins** Clarissa Bright, Chloe Parker, 2021-07-07 Aliens took me from my life as a high society princess. My body is my only bargaining chip, and my pleasure, their currency. When I sat on the rooftop and wished every night that someone would take me away, this isn't what I meant. Now my biggest problems, my stepmom, my dad's expectations, are dwarfed in comparison to my new life. An alien with tentacles and a tail wants to make me his wife. Not just his wife, his queen. And if I give in to my body's desires, I would also be giving up everything I've ever fought for. But he's not the only one that wants me. There are his two bodyguards, both with broad shoulders, big muscles, and blazing eyes. They share everything, and I don't know if that includes me. There's the ship's pilot, a human cyborg with skilled hands and a heart of gold. And of course, there's the assassin chasing us across the galaxy who seems to be everywhere at once. These men will kill me.

Or they will drive me mad with pleasure Until Earth seems just as alien as they are and I have to decide where home actually is CELESTIAL SINS is a science fantasy romance with a group of hot alien heroes and a strong heroine Fans of Angel Lawson and Ruby Dixon will love this journey to another galaxy **Video Source Book** Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction The Video Source Book David J.
