The International Jew The Worlds Foremost Problem 2 Volumes:

The International Jew: The World's Foremost Problem Henry Ford, 195? Why discuss the Jewish Question Because it is here and because its emergence into American thought should contribute to its solution and not to a continuance of those bad conditions which surround the Question in other countries The Jewish Question has existed in the United States for a long time Jews themselves have known this even if Gentiles have not There have been periods in our own country when it has broken forth with a sullen sort of strength which presaged darker things to come Many signs portend that it is approaching an acute stage Not only does the Jewish Question touch those matters that are of common knowledge such as financial and commercial control usurpation of political power monopoly of necessities and autocratic direction of the very news that the American people read but it reaches into cultural regions and so touches the very heart of American life This question reaches down into South America and threatens to become an important factor in Pan American relations It is interwoven with much of the menace of organized and calculated disorder which troubles the nations today It is not of recent growth but its roots go deep and the long Past of this Problem is counterbalanced by prophetic hopes and programs which involve a very deliberate and creative view of the Future This little book is the partial record of an investigation of the Jewish Question It is printed to enable interested readers to inform themselves on the data published in The Dearborn Independent prior to Oct 1 1920 The demand for back copies of the paper was so great that the supply was exhausted early as was also a large edition of a booklet containing the first nine articles of the series The investigation still proceeds and the articles will continue to appear as heretofore until the work is done The motive of this work is simply a desire to make facts known to the people Other motives have of course been ascribed to it But the motive of prejudice or any form of antagonism is hardly strong enough to support such an investigation as this Moreover had an unworthy motive existed some sign of it would inevitably appear in the work itself We confidently call the reader to witness that the tone of these articles is all that it should be The International Jew and his satellites as the conscious enemies of all that Anglo Saxons mean by civilization are not spared nor is that unthinking mass which defends anything that a Jew does simply because it has been taught to believe that what Jewish leaders do is Jewish Neither do these articles proceed upon a false emotion of brotherhood and apology as if this stream of doubtful tendency in the world were only accidentally Jewish We give the facts as we find them that of itself is sufficient protection against prejudice or passion

The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak circulation reached 700 000 readers. The work's reach was worldwide and was quoted in Adolf Hitler's Mein Kampf. Henry Ford's picture hung in Hitler's office and in July 1938 the German consul at Cleveland gave Ford on his 75th birthday the award of the Grand Cross of the German Eagle the highest medal Nazi Germany could bestow on a foreigner. The 80 articles were later republished in book form but were severely redacted and edited with an abridged version becoming the most widely circulated copy. This version is the full unexpurgated original of Ford's groundbreaking study of the Jewish Question and contains all the content prefaces included of the books first published by the Dearborn Independent as Volume 3 Jewish Influence in American Life 1921 and Volume 4 Aspects of Jewish Power in the United States 1922. Completely reset and hand edited. Cover image A poster from the Nazi film The Eternal Jew 1940 which used material from Ford's books. The International Jew, the World's Foremost Problem, 1920. **The Terrorist Next Door** Daniel Levitas, 2004-01-20. September 11 2001 focused America's attention on the terrorist threat from abroad but as the World Trade Center towers collapsed domestic right wing hate groups were celebrating in the United States. Hallelu Yahweh. May the WAR be started. DEATH to His enemies. May the World Trade Center BURN TO THE GROUND. announced August Kreis of the paramilitary group the Posse Comitatus. We can blame no others than ourselves for our problems due to the fact that we allow Satan's children called jews sic today to have dominion over our lives. The Terrorist Next Door reveals the men behind far right groups like the Posse Comitatus. Latin for power of the county and the ideas that inspired their attempts to bring about a racist revolution in the United States. Timothy McVeigh was executed for killing 168 people when he bombed the Alfred P Murrah Federal Building in 1995 but The Terrorist Next Door goes well beyond the destruction in Oklahoma City and takes readers deeper and more broadly inside the Posse and other groups that comprise the paramilitary right. From the emergence of white supremacist groups following the Civil War through the segregationist violence of the civil rights era the right wing tax protest movement of the 1970s the farm crisis of the 1980s and the militia movement of the 1990s the book details the roots of the radical right. It also tells the story of men like William Potter Gale a retired Army officer and the founder of the Posse Comitatus whose hate filled sermons and calls to armed insurrection have fueled generations of tax protesters militiamen and other anti government zealots since the 1960s. Written by Daniel Levitas a national expert on the origins and activities of white supremacist and neo Nazi groups The Terrorist Next Door is painstakingly researched and includes rich detail from official documents including the FBI private archives and confidential sources never before disclosed. In detailing these and other developments The Terrorist Next Door will prove to be the most definitive history of the roots of the American militia movement and the rural radical right ever written. **The International Jew**, 1920. *The Riddle of the Jew's Success*
