Torahism R. L. Solberg,2019-10-22 www TorahismBook com Are Christians required to keep the Law of Moses How about the Ten Commandments Was Jesus divine Join R L Solberg in his new book TORAHISM where he confronts a modern heresy and dives into these and other critical questions related to the Jewish roots of the Christian faith It all began with a series of Facebook posts that an old friend posted just after Thanksgiving He was aggressively taking Christians to task for celebrating the pagan holiday of Christmas This struck me as odd because I d always known he and his wife to be strong Christians And while I ve debated with plenty of atheists over the alleged pagan roots of Christmas I d never heard this charge leveled by a fellow Christian So I decided to chime in on his posts and soon discovered that I had stepped into a mystery of well biblical proportions ENDORSEMENTS Over a decade ago I came to know Rob Solberg He impressed me back then with his searching heart scholarly mind and passion for apologetics He has now offered a masterful work well researched and very well argued Were I still a seminary professor I would require my students to write reviews on this volume Dr Stephen Drake Former Professor of Ministry at Southern Baptist Theological Seminary Impressively written and researched Aberrant theologies have existed throughout time requiring trusted biblical guides to bring much needed reproof Rob Solberg does this superbly in his book Torahism And he accomplishes this task with much gentleness and respect 1 Peter 3 15 Even if you are not immediately confronted with this heresy a careful reading of Rob s book will deepen your understanding of the gospel of Jesus Christ Ed Smith Ph D President Williamson College Engaging and well developed content on a tough topic Rob addresses lofty theological issues with incredible accessibility and application He reminds us to not just stay in our heads and win arguments but to love people well as we fight for what is true Derek Bareman Lead Pastor Church of the City Spring Hill This is an excellent balanced scholarly refutation of the heretical teaching of Torahism Solberg does so with a wide array of Scripture great Christian writers across the centuries and impeccable logic Not only does it address and answer the challenge of this new heresy it serves as an apologetic in the best tradition of Christian scholarship Exceptional work I have reviewed thousands of books in 30 years This book deserves to be read Reverend David Doc Kirby

retired Host of the On The Bookshelf podcast FROM THE FORWARD BY PAUL WILKINSON Ph D The best conversations are those that happen spontaneously amongst sincere passionate seekers wanting to learn mature and progress in their faith and life R L Solberg has blessed us by inviting us into just such a conversation This book is a read that flows because it originates in genuine conversations between friends and passionate believers It is reminiscent of the ancient dialogues with questions points and counterpoints But be sure to catch this truth Solberg s work is not about how to do the least work for the most grace nor is it about how to avoid obligations duties and work No much more than that Solberg s question is about how we who claim to be children of God best glorify worship and obey him Solberg wants to know what it means to be godly and righteous in light of the crucifixion and resurrection of Jesus I invite you into Rob and his friends conversation I was challenged encouraged and taught by the insights he brings to the fore I pray that you heed his call to take seriously what it means for the Christian to live the godly life to be like Jesus

Palmyrene Aramaic Texts Delbert R. Hillers, Eleonora Cussini, 1992 *What Do Jewish People Think about Jesus?* Michael L. Brown, 2007-10 A Jewish believer himself Dr Michael L Brown provides clear answers to questions about modern and historical Jewish practices He also addresses questions Christians have about their own relationship to the Old Testament Law such as Should Christians observe the Sabbath on Saturday and Are Gentile Christians spiritual Jews

His Name Is Yeshua Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God s Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I ve met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I ve even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today s church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo
