## **The Holy Bible Today's Chinese Version:**

**Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world's best selling modern translation with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation. **Biblical Translation in Chinese and Greek** Toshikazu S. Foley, 2009 This study integrates three independent subjects: translation theory, Mandarin aspect, and Greek aspect for the purpose of formulating a working theory applicable to translating the Bible. The primary objectives are defined in terms of grammatical translation of Greek aspect into Mandarin aspect at the discourse level. A historical overview of the Chinese Bible is provided as a way of introducing major translation issues related to linguistic, conceptual, and logistical challenges. The proposed theory provides the translator with a powerful tool which is tested in two sample passages from John 18:19 and 1 Corinthians 15. Provided also are critical reviews of over sixty Chinese Bible versions, Nestorian, Manichaean, Catholic documents, and a translation written according to the proposed theory. The Holy Bible, 1979 The Living Bible, Paraphrased Tyndale House Publishers, 1971 A compilation of the Scripture paraphrases previously published under the following titles: Living letters 1962, Living prophecies 1965, Living gospels 1966, Living psalms and proverbs 1967, Living lessons of life and love 1968, Living book of Moses 1969, Living history of Israel 1970. **The Holy Bible**, 1979 **The Translation of the Bible into Chinese** Ann Cui'an Peng, 2023-03-30 The publication of the Chinese Union Version (CUV) in 1919 was the culmination of a hundred years of struggle by Western missionaries working closely with Chinese assistants to produce a translation of the Bible fit for the needs of a growing church. Celebrating the CUV's centennial, *The Translation of the Bible into Chinese* explores the unique challenges faced by its translators in the context of the history of Chinese Bible translation. Ann Cui'an Peng's personal experience of the role played by the CUV in Chinese Christian communities lends the narrative particular weight, while her role as director of the Commission on Bible Publication at the China Christian Council offers a unique insight into the continuing legacy of the CUV for Bible translators today. *Read with Me Bible* Dennis Jones, Doris Rikkers, Jean Syswerda, 2000 Recounts Bible stories from the Old and New Testaments adapted from the New International Reader's Version of the Bible. *The Holy Bible*, 1988 The Chinese Face of Jesus Christ: Roman Malek, 2017-07-05 This volume provides an annotated bibliography of the Western and Chinese literature on Jesus Christ in China. It is a sequel to the interdisciplinary collection on the manifold faces and images of Jesus throughout Chinese history from the Tang dynasty (618-907) to the present time. The present bibliography broadens and deepens the above-mentioned subject matter and also points out aspects which have been addressed in the contributions and anthologies of the previous volumes of *The Chinese Face of Jesus Christ* but which have not been treated thoroughly. Another aim of this bibliography is to initiate and enable further research, particularly in China. It includes bibliographical data from the beginning of the introduction of Christianity to China until the year 2013, occasionally also until 2014. A list of Key

often translated in the Bible as soul but despite the limitations of this popular rendering it has led Christians in Chinese contexts to falsely understand views regarding the nature of human beings as a trichotomy Dr Hui Er Yu's study offers different options for translating *nephesh* using the context of where the word appears in Scripture as well as in reference to linguistic and cultural meanings in Chinese contexts The findings in this book will help to remove anthropological misunderstandings among many Chinese Christians related to *nephesh* as a result of historic translation decisions Dr Yu takes a unique approach to translation by using an intergenerational Bible translation team ranging from seven to fifty one years of age which not only demonstrates the importance of intergenerational ministry but also presents a way to fulfill the growing need for well translated Children's Bibles in China for thousands of young believers This book provides important lessons for the many translation projects working towards Children's Bibles but also for how translation of biblical terms can be better reached through this intergenerational process

**Chinese Biblical Anthropology** Jian Cao, 2019-06-28 In this study that is largely intellectual history Cao Jian observes how Old Testament motifs were introduced by Protestant missionaries and Bible translators with the help of Chinese co-workers in the beginning and how those motifs drew attention from local converts and led to discussions among them in light of the norms in Confucianism Then Cao demonstrates how Confucian reformists started reacting to missionary publications and showing interest in Old Testament motifs After the defeat of China in 1894-1895 in the Sino-Japanese War the response to the Old Testament became more active and influential among China's population The author shows new interests and tendencies in Old Testament interpretation among educated Chinese with various political ideals at a time of national crisis He also demonstrates how the vernacular movement in Bible translating and missionary Old Testament education popularized and modernized Old Testament reading and studies in Chinese society After that transitional period discussions of Old Testament motifs became even more abundant and diverse The author concentrates on those regarding the notion of God and monotheism In China's nationalism the Old Testament proved no less stimulating The author deals with Moses and the prophets to understand how they became valid to those active in both religious and secular realms
