The Icarus Deception How High Will You Fly:

The Icarus Deception Seth Godin, 2012-12-31 In Seth Godin's most inspiring book he challenges readers to find the courage to treat their work as a form of art. Everyone knows that Icarus's father made him wings and told him not to fly too close to the sun; he ignored the warning and plunged to his doom. The lesson: Play it safe. Listen to the experts. It was the perfect propaganda for the industrial economy. What boss wouldn't want employees to believe that obedience and conformity are the keys to success? But we tend to forget that Icarus was also warned not to fly too low because seawater would ruin the lift in his wings. Flying too low is even more dangerous than flying too high because it feels deceptively safe. The safety zone has moved. Conformity no longer leads to comfort. But the good news is that creativity is scarce and more valuable than ever. So is choosing to do something unpredictable and brave. Make art. Being an artist isn't a genetic disposition or a specific talent. It's an attitude we can all adopt. It's a hunger to seize new ground, make connections and work without a map. If you do those things you're an artist, no matter what it says on your business card. Godin shows us how it's possible and convinces us why it's essential.

Poke the Box Seth Godin, 2015-09-15 *Poke the Box* is Seth Godin's spirited call to action for anybody too afraid to try something new, now relaunched and repackaged. If you are happy being just a dreamer, perhaps you don't need this book. If you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has *Poke the Box* become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need too. Like the man who produced it, *Poke the Box* is inspired and inspiring. Daniel H. Pink: A one-two punch. Half kick in the ass, half cheerleading encouragement. Steven Pressfield, author of *The War of Art*.

Summary of The Icarus Deception by Seth Godin ,2024-07-15 Book Description The Icarus Deception by Seth Godin How High Will You Fly As technology continues to become smarter and more efficient the job market changes too No longer are the boring and repetitive nine to five jobs as safe as they once were The world is changing but that doesn t have to be a bad thing It s time to do something about it It s time to adapt to the new digital economy So how can you do this By becoming an artist According to Seth Godin you must embrace your creativity and break out into a field you are passionate about Art however doesn t have to be painting pictures and drawing fruit in a basket Art is simply any creative task that requires something more than a computer can offer ingenuity creativity and passion Becoming an artist might require you to go against everything you ve been taught about life You should no longer rely on the old fashioned corporate ladder with a guaranteed salary It s time to create a better more fulfilling society by following your passions even if that means giving up your cushy desk job With Seth Godin s advice you ll be ready to tackle your passions in no time As you read you ll learn why the myth of Icarus is holding you back how being like a god will help you succeed and why society uses shame to control your actions and prevent you from pursuing your dreams Rhetorics of Whiteness Tammie M Kennedy,Joyce Irene Middleton,Krista Ratcliffe,2017 Contributors analyze how whiteness haunts popular culture social media education and pedagogy as well as theories of race themselves Provided by publisher The Gap and The Gain Dr. Benjamin Hardy,Dan Sullivan,2021-10-19 As he did in WHO NOT HOW Dr Benjamin Hardy shares one of Dan Sullivan s simple yet profound teachings that until now has been known only to his Strategic Coach clients unsuccessful people focus on The Gap but successful people focus on The Gain T his one simple concept is a masterclass on positive psychology healthy relationships mental well being and high performance Everything that psychologists know about how to create a high functioning and successful person can be achieved using The GAP and the GAIN Dr Benjamin Hardy Most people especially highly ambitious people are unhappy because of how they measure their progress We all have an ideal a moving target that is always out of reach When we measure ourselves against that ideal we re in the GAP However when we measure ourselves against our previous selves we re in the GAIN That is where the GAP and the GAIN concept comes in It was developed by legendary entrepreneur coach Dan Sullivan and is based on his work with tens of thousands of successful entrepreneurs When Dan s coaching clients periodically take stock of all that they ve accomplished both personally and professionally they are often shocked at how much they have actually achieved They weren t able to appreciate their progress because no matter how much they were getting done they were usually measuring themselves against their ideals or goals In this book you will learn that measuring your current self vs your former self has enormous psychological benefits And that s really the key to this deceptively simple yet multi layered concept that will have you feeling good feeling grateful and feeling like you are making progress even when times are tough which will in turn bolster motivation confidence and future success If you re finding that

happiness eludes you no matter how much you've achieved then learning this easy mindset shift will set you on a life changing path to greater fulfillment and success

Creativity as Co-Therapist Lisa Mitchell, 2016-01-29 In *Creativity as Co-Therapist* experienced psychotherapist and creativity expert Lisa Mitchell bridges the gap between theoretical knowledge and therapeutic application by teaching psychotherapists of all backgrounds to see therapy as their art form. Readers are guided through the five stages of the creative process to help them understand the complexities of approaching their work creatively and to effectively identify areas in which they tend to get stuck when working with clients. Along the way, workbook assignments, case studies, personal stories, and hands-on art directives will inspire the reader to think outside the box and build the creative muscles that hold the key to enlivening their work.

For this to happen, there must be a fundamental shift in your level of consciousness. This is not just another "what to do" book. This is a book that will open your mind and it will change the way you see yourself, your role, and what great leadership is all about. Case Studies and Exercises. With the help of real examples and practical exercises, you can upgrade your whole core operating system. Shift your view of who you are, your purpose, and how to get results and transform your personal performance and the performance of those around you. Have an exponentially positive effect on your organisation as well as the world in which you operate. In this book, I explain The SECRET that Conscious Leaders know that isn't taught on MBA Courses. The SEVEN personal benefits you will experience as a Conscious Leader. The PATH of Conscious Development that we are all on but most of us are unaware of and how awareness of it will lead to your success.

The Courage to Stand Russell D. Moore, 2020-10-06 DO NOT BE AFRAID. We live in a fearful and cowardly time. Some are anxious and withdrawn, seeking to escape the notice of whatever scares them. Others mask their fear with fighting and quarrelsomeness. The root of all of this fear is the fear that we might lose our belonging in whatever tribe in which we seek safety, the fear that we might have to stand alone. The crisis we face is not a crisis of clarity but a crisis of courage. Our problem is not so much a lack of knowledge as a lack of nerve. And yet Jesus told us that we are to stand with courage. That doesn't mean that we will be fearless, but that we will know how to face our fear and keep walking toward the voice that calls us homeward. Gospel courage is nothing like the bravado of this anxious age. The call to courage is terrifying because the call to courage is a call to be crucified. In *The Courage to Stand*, bestselling and award-winning author Russell Moore calls readers to a Christ-empowered courage by pointing the way to real freedom from fear, the way of the cross. That way means integrity through brokenness, community through loneliness, power through weakness, and a future through irrelevance. On the other side of fear is freedom, the freedom to stand.

Wild Creative Tami Lynn Kent, 2014-08-26 Tami Lynn Kent, author of *Wild Feminine*

calls readers back to their creative center to help them access the natural sustaining energy of creativity that is inherently theirs. At its root, creativity is the practice of engagement and the marriage of feminine and masculine energy. And in seeking our inspiration and dreams, we realign ourselves with an ancient limitless presence and reawaken the wild creative within. Wild Creative encourages readers to embark on a journey to achieve the dreams too many of us have cast aside. Kent provides hands-on ways to align life with the creative currents that flow through each of us by showing readers how to identify and restore their inner creative map. Readers will discover that when we make creativity and inspiration a priority, small and big miracles unfold. In Wild Creative, Kent details her own experience building a framework for her creativity that served the wellbeing of herself, her family, and her business. She shows readers that by following the creative source within each of us, we can nourish and support a vibrant and successful life.
